Though the municipal election yesterday was a very quiet one, and barely 75 per cent of the vote was out, the Republican ticket was victorious throughout.

The Democrats were not a factor from the beginning, and as was predicted by the News Review several days ago, the Prohibitionists, with J. C. McClain at the head of their ticket, led the untroubled by a goodly number.

It was thought by many that the fact that the cold water people led the Democracy in almost every precinct and got more votes throughout the city than the Democrats, they would have the representation on the election

boards. This is a mistake, as the rule only applies to state, or November elections. It will be remembered that four years ago C. F. Bough was elected from the Prohibition party to the position of mayor, his party made an excellent showing, beating out the Democracy in every voting precinct in the city. There was no change in the make-up of the board of election at that time and there will not be in this instance.

It was said that a number of Mayor Davidson's friends were anxious as to the outcome of the fight for mayor, but their fears were unfounded. Davidson was re-elected by a majority of 1,175.

For board of education, O. C. Vodrey, Republican; John Kerr, Democrat, and Rev. W. H. Gladden, Prohibitionist, led their respective tickets.

WATER BONDS VOTED DOWN

Proposition to Go in Debt \$60,000 for Gravity System Rejected—A Large Vote Polled in the City—The Vote By Wards.

Wellsville has once again elected a Republican mayor. The polls closed promptly at 5:30 and the last ward was reported at 10:15. Everything was in the Republican favor, the Democrats only electing a councilman in the Third ward. The question of bonding the city to the amount of \$60,000 for the purpose of establishing a gravity water works, whereby the city's water supply would come from Little

Wellsville, rather than the city, did not carry.

The total vote of the entire city amounted to nearly 1,400.

The following is the total results:

For mayor—Fogo, R., 635; Aten, D., 185; Davis, C., 496.

Treasurer—Andrews, R., 851; Ry. an, D., 220.

Solicitor—Boyd, R., 960.

Street Commissioner—Herbert, R., 846; Grafton, D., 313.

Water works trustee—Garren, R., 692; Maloney, D., 243; Jenkins, C., 197.

Cemetery trustee—Smith, R., 776; Kampman, D., 285.

Board of education—Hutchison, R., 709; Henderson, R., 787; Murdoch, D., 257; Hayes, D., 227; Hawley, C., 213; Menough, C., 224.

For council, First ward—Henderson, R., 167; Anderson, D., 76; Sechrist, 10.

THE TAX BILLS WILL BE PASSED

Willis and Cole Measures Booked
For Favorable Action By
the Solons.

IN ALL SCHOOL DISTRICTS

Elections Must Hereafter Be Held on
the First Monday in April—Gov.
Nash Reorganizing the Forestry
Bureau—Capital Gleanings.

Columbus, April 8.—This will be a busy week with the legislators. Unless the unexpected happens, the taxation measures, municipal code and redistricting bills will have been disposed of one way or another before the end of the week. Both the Willis and Cole bills, which have met with strong opposition, will be passed by the senate on Thursday. The companion measures of these bills, which will complete the scheme devised by Governor Nash to make possible the abolition of the state tax on real and personal property, will also be passed. It will require 17 votes to pass these measures, and it is absolute certainty that they will have 18 votes and perhaps 20 votes. The Republican senators who have been holding out against the taxation measures are expected to fall in line when they are placed on their passage.

Attorney General Sheets on Saturday rendered an opinion, in response to a request from School Commissioner Bonebrake, that under the Seese act, passed on March 19, 1902, all special school districts, must, in the future, hold their elections on the same day as the regular spring election, on the first Monday in April. If any special districts fail to hold their elections on that day the directors now in office will hold over for another year. These elections are to be conducted under the Australian ballot law, under regulations similar to those for city and village school elections.

State School Commissioner Bonebrake has compiled a list of the Ohio Teachers' Institutes for 1902 from reports sent to him by the chairmen of the executive committees of the different counties. The Columbian county institute will be held at Lisbon August 25 to 29. The instructors will be Margaret W. Sullivan, W. H. Van Fossan, superintendent of public schools of Lisbon, is chairman of the executive committee.

While visiting the soldiers' home at Sandusky, Representative Buell met two former Columbian veterans who are now inmates of the institution—Thomas Sharp, formerly of Salineville,

and Jacob Smith, formerly of Salem. Smith is over 70 and has been at home for 10 years. He is in excellent health and spoke highly of the treatment given the soldiers by the management. He served through the war in Company C, Sixtieth Ohio cavalry. He enlisted at Salem and has a number of relatives residing in that city. Mr. Buell says the inmates were all well dressed neat and clean and seemed to be well taken care of. They are provided with good wholesome food, and plenty of it. The soldiers are given unlimited privileges, but are required to obey the rules. Those who break the laws are given a trial and generally let off with some light penalty—revocation of privileges for a stated period or the imposition of extra duty.

Governor Nash has taken steps to place in active operation the forestry bureau of the state. The board was created a number of years ago to provide for the preservation of the forests of the state, but owing to the failure of the legislature to make the necessary appropriations, the work ceased shortly after it was begun. The board is still in existence, but dormant, and the governor proposes to infuse fresh life into it. Investigation develops that the term of one of the three members, of which the board consists, has expired, but as no reports have been made from any of the members for years, it is probable that an entire new board will be appointed. The purpose of the board is to prevent the extinction of forests.

OUT IN THE COLD

ELEVEN-YEAR-OLD GIRL FOUND IN TRYING CONDITION.

Missed Her Car and Sought Warmth at a Kiln at Night—Fireman Befriended Her.

Shivering with cold and afraid to go to the home of relatives in Dixsonville, Edna Robinson, aged 11 years, daughter of William Robinson, of Wellsville, was found this morning at 3:30 o'clock trying to keep warm from fire in a kiln at the East End sewer pipe works. Had not the girl hunted the fireman and informed him that one of the fires was dying out it is likely she would have been compelled to remain out in the cold and snow all night.

When the child was found she was taken to an empty kiln, in which a stove was burning, and the fireman went to the East End fire station where Captain Terrence was notified. He and the fireman went to the works and brought the girl to the fire station, where a bed had been prepared for her, and where she remained until this morning when she went to her home.

The child went to visit a relative in Wellsville last night and missed the last car. She was afraid to go up the hill again and knowing no other person in this part of the city, she decided to go to the sewer pipe works, remaining there several hours unprotected from the cold before she was found.

Option Has Expired.

It was announced in the East End this morning that the option the C. & P. railroad company had on the J. N. Hanley property in the vicinity of Ralston's crossing expired the first of the month, but some arrangement would be made whereby these options would be extended. It was stated at the time this option was obtained that it was the purpose of the railroad company to double track the road in this part of the city, but since then nothing definite has been heard from the officials of the company concerning the improvement.

EAST END AFFAIRS.

Mrs. Dawson, of lower St. George street, this morning removed into her new residence in the Boyce orchard. It is one of the most complete residences in the Fifth ward.

Only one woman cast a school board ballot in the East End yesterday, and that was Mrs. John Smith, of Boyce street. It was generally supposed that the woman vote in this ward would be heavier than in any other.

Old Man Assaulted.

Wellsburg, April 8.—D. W. Craig, an aged resident of Cross Creek district, was brutally assaulted by William and Theodore Strott, two young men living on an adjoining farm, as the result of a quarrel over some stone. The old man had his arm dislocated and the injuries may prove fatal. The young men were arrested and fined.

Forty-Five Indictments.

Steubenville, April 8.—The grand jury which was in session last week established a new record in that not a single case to investigate was ignored, and though in session only two days the supplementary report says 42 witnesses, covering 45 cases, were examined and 45 true bills were returned, a large number being against liquor sellers.

House Passed Chinese Exclusion Bill After Drawing the Lines Tighter.

WAR TAX REPEAL BILL ADOPTED

Measure to Extend Charters of National Banks for 20 Years Suddenly Sprung and Rushed Through Lower Branch of Congress.

Washington, April 8.—The house yesterday passed the Chinese exclusion bill after incorporating in it several amendments which increased the drastic character of the measure. The principal one not only excludes Chinese by birth and descent, but all Chinese of mixed blood. The chief struggle was over an amendment to prohibit the employment of Chinese sailors on American ships. An amendment covering this proposition at first was ruled out on a point of order, but subsequently was modified to evade the ruling, and was adopted 100 to 74.

As passed the bill practically re-enacts all the existing exclusion laws and incorporates with them the existing treasury regulations. It extends these exclusion laws to the Philippines and the other possessions of the United States, and forbids Chinese laborers in our colonial possessions coming into this country. The Philippine commission, by the terms of the bill, is directed to adopt proper measures for the enforcement of the provisions of the bill in the Philippines.

The conference report on the war revenue tax repeal bill was adopted and the bill sent to the white house.

Late in the afternoon Mr. Fowler, of New Jersey, moved to pass under suspension of the rules the senate bill to extend the charters of national banks for 20 years. The Democrats were taken completely by surprise. As it was after the usual hour for adjournment the attendance was slim. The Democrats attempted to filibuster, but a call of the house finally secured a quorum, and the bill was passed.

Considerable time was consumed by the senate in a discussion of the conference report on the bill to reduce war revenue taxes. As passed by the senate the tax on transactions in so-called bucket shops was retained. The conferees struck out that provision, it being explained that the house would not consent to its retention. The conference report finally was adopted 36 to 20.

Representative Hay, of Virginia, chairman of the house Democratic caucus, yesterday issued a call for a conference of Democratic members on the subject of Cuban reciprocity at 5 o'clock tonight. The move caused some agitation on both sides of the chamber, in connection with the opening of the debate on the Cuban bill today, as it was thought to introduce a new element of doubt as to the final vote on that measure. It was conceded by the supporters of the Payne bill that a combination between the minority and the Republicans who oppose reciprocity would make the final issue doubtful.

FARM WAS WIPE OUT.

Landslide Demolished Buildings, but Occupants Miraculously Escape.

Ste. Genevieve de Batiscan, Que., April 8.—There was a most peculiar landslide here yesterday. The farm of Joseph Baptiste St. Arnaud was completely wiped out, and the entire aspect of the bank of the River Avenir, where the farm stood, has been changed. The farm house, barns and granaries were buried and everything was demolished with the exception of the sitting room in the house, where the farmer's wife and six children were. The walls of this kept together, and they were with much trouble dug out uninjured.

FROM SOUTH AFRICA

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman, writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Alvin H. Bulger.

COUNTY AND NEIGHBORHOOD

Miss Anna Cribbs, aged 24, drowned herself at Bellaire while temporarily insane.

At Steubenville Irving Taber Bull, of Long Run, has had his name changed by court to Irving Taber.

Prof. E. F. Porter, ex-school superintendent of Fayette county, died at his home at Brownsville, Pa.

Thomas W. Harper, a wealthy coal operator of Zanesville, has been arrested, charged with hugging his wife's maid.

George Miller, who resided near Wimona, died while visiting friends near Garfield. Death was due to heart trouble.

George Hickson, an Englishman, aged 77 years, was found dead in bed at the home of his son George, in Steubenville.

Mrs. S. W. Riseling, aged 50, of Canton, a sister of Jack Adams, of the McKinley farm, committed suicide by hanging.

Rev. R. M. Higgins, of Grand Rapids, Mich., has been called to the pastorate of the First Congregational church, Steubenville.

Timothy W. Bliss, a Mason since 1849, and the oldest Masonic grand judge tyler in the United States, died at Wheeling, aged 90.

Inspector George Pate has gone over the rural mail route leading out of Salem and found three miles of rural route No. 1 so bad that the services will be discontinued.

A human skeleton, evidently that of a man burned at the stake many years ago, was unearthed on an ancient Indian camping site along the Chagrin river, near Painesville.

A mammoth piece of timber was hewn at Limaville, Stark county, to be shipped to England. The log hewn is over 60 feet long and weighs ten tons. It is oak and will be used for veneering.

Marshal Johnson, of Salem, who has been in the hospital at Alliance since he was injured by falling from a Ft. Wayne train three weeks ago, has been taken home. He is getting along nicely.

Blood Wine—New French Discovery Catches on Quickly.

Druggists Kept Busy Answering Questions. Our Sick People Hopeful of Lasting Results.

We are pleased to report in this issue that "Blood Wine," the new medicine which we have recently induced the manufacturers to place on sale here, has jumped into instant favor and a large number of our citizens have availed themselves of the opportunity to test it free of charge, and several are now taking it daily and already feeling the effects of its health-giving properties.

The market is today flooded with proprietary articles of all kinds. Some are good, some are bad, some harmless, while others possess little or no medicinal property. The sale of "Blood Wine" has been developed purely on its merits, for the manufacturers have always held aloof from advertising, believing that to thus present it might prejudice the minds of some, as there are people who think that any advertised medicine is a "quack nostrum."

"Blood Wine" is a scientific preparation; in fact, one of the most potent of recent discoveries in material medicine. If you should summons a physician, receive his advice, accept his prescription, have it filled and conduct yourself according to his instruction, you must be at an expense of from say \$1.50 to \$7.00 or even \$10.00, according to the physician and the druggist who compounded your prescription.

Now for fifty cents you can get a bottle of this excellent French remedy which will do as much for you as your physician and druggist combined, providing of course that "Blood Wine" will suit your case. It is not a cure-all; it is not a medicine that will cure disease after death has already tightened its grasp upon the unfortunate victim; it is senseless for anyone to make such a claim of any medicine, and no honest proprietor speaking to the intelligent masses will do it. "Blood Wine" will not disappoint you. It has worked wonders in thousands and hundreds of thousands of cases in the cities. It will cure in a great many instances where other remedies and doctors fail. It will prevent coughs, colds, grippe, pneumonia, consumption, Bright's disease, rheumatism, indigestion, constipation, nervous disorders and infections of the blood, and it will bring about a permanent cure of any of these diseases excepting when consumption or Bright's disease is in the most advanced stage. If your lungs are beginning to be affected, if you have a poor appetite, are sleepless nights, are losing flesh, or notice a slight cough, are nervous and fidgety, "Blood Wine" will cure you.

Go to the drug store and inquire about this celebrated preparation; see if it suits your case, sample it, read the literature and make a thorough investigation. It satisfied invest fifty cents for a full bottle and notice its wonderful action. "Blood Wine" contains no wine or opiates. You will not be humbugged, you will not be fooled, you'll get your money's worth many times over.

"Blood Wine" costs fifty cents a bottle, but you can sample it free of charge at Will Reed's and Hodson's drug stores.

GRATIFYING RESULTS.

The election results in this city must be gratifying to the friends of honest elections and good government. First and most important, the Republican ticket was elected to a man. Nothing else was expected, yet there was a bare possibility of defeat for some portion of it owing to the surprising and inexcusable indifference shown by hundreds of Republican voters. Next in importance was the adoption by the voters of the city of the system of registration. Unexpected opposition to this proposition developed at the last moment, but fortunately it was not strong enough to compass the defeat of this wise and necessary law. But in the discussion that arose the friends of the measure had all the best of the argument, those who talked against the plan not being able to marshal a single good strong reason why East Liverpool should not adopt the law which, after years of effort on the part of the Republican leaders, had been enacted for the city's benefit.

Many who voted against the registration proposition did so under the misapprehension that it applied to primary elections. It would doubtless be better if it did, but we may well be content with one thing at a time. The enforcement of the registration law will lessen the temptations to fraud and remove many of the possibilities thereof. We believe our elections are as honestly conducted as elections anywhere, but it must be remembered that East Liverpool has outgrown the village stage, is a good-sized city and steadily and rapidly growing larger. It is of the highest importance to the city's interests that only bona fide residents and qualified voters have a voice in its elections.

Registration is a present need, and its value and importance will become more and more apparent with each passing year. Once given a thorough trial and test, we have no fear that its popularity will not be so fully established that the people would not listen with patience to any proposition to do away with it. The adoption of this system is a triumph for purity in politics, for the Republican leaders who have championed it, and incidentally an endorsement of the position of the News Review, which has steadily and consistently pointed out the desirability of applying the registration law here.

The vote for bonds to extend the school accommodations, the city is also to be congratulated. An opposite decision would have been most unwise. On the whole, East Liverpool voters did an excellent day's work, although the day was stormy and many stayed at home.

Of course the Democrats expected nothing else than defeat, but really they were not looking for the Prohibs to beat them 2 to 1.

There was no doubt that registration would win after the semi-annual Democratic organ came out in opposition to it.

All things may come to him who waits if he does enough hustling meantime.

Cecil Rhodes' will pleased the kai-

ser better after Rhodes' death than before.

The Democrats are in the "also ran" class.

OBITUARY

Mrs. Bridget Maley.

Mrs. Bridget Maley, of Wayne township, probably the oldest woman in the southern portion of Columbiana county, being nearly 100 years old, was buried yesterday. She was the widow of James Maley and mother of I. P. Maley, of this city, and was well known to a large number of people throughout the county. When quite a small child she removed with her parents from Ireland. She had lived over 60 years in Wayne township and was widely known and beloved.

AT THE THEATER

Haverly's Mastodon Minstrels will be seen at the Grand next Thursday evening, April 10, and will eclipse anything ever seen in minstrelsy. "Newness and novelty" is the motto of this organization. Clever George Wilson is the chief purveyor and is ably assisted by Johnnie Swor, the famous Young family, Garden and Somers, Mazier and Conley, Marion and Pearl, Eddie McGee, Jim Mack, Sig Mantel, C. Larry Brown, William Mack, Claude Menke, and his charming orchestra.

The "Katzenjammer Kids," Blenden & Hennessy, managers, have placed before the public one of the strongest companies ever seen in farce comedy. Every member is selected for his line of work which embraces selections from grand to comic opera, vaudeville and drama. Incidental to the play are unique and novel specialties. Lehigh County Democrat Declines to Be a Candidate for Governor.

Allentown, Pa., April 8.—The Lehigh county Democratic committee yesterday elected Robert E. Wright, M. C. L. Kline, Harvey F. Schuler, Frank H. Kiechel, John G. Daufner, Joseph F. Gehring, Edward Harvey and Dr. A. S. Rabenold delegates to the state convention. Mr. Wright had a letter read declining the use of his name for governor. The committee overwhelmingly voted down a resolution received from the Berks county committee requesting the appointment of conferees for a new apportionment of delegates from the two counties on the congressional nomination.

Harrisburg, April 8.—At the meeting of the Democratic county committee yesterday Col. W. S. Thomas was re-elected chairman, with W. H. Etta, of Middletown, and Dr. John A. Fritchey, of Harrisburg, as secretaries. The new members will be elected in June.

Labor Candidate Won.

Hartford, Conn., April 8.—Organized labor won a victory in Hartford yesterday. Following the example of Bridgeport and Ansonia, they have elected a mayor for the city. They captured the Democratic nomination, and their man, Ignatius A. Sullivan, clerk in a clothing store, received the solid vote practically of the trades unions. The Republicans elected a majority of the common council.

As people grow older the worries that formerly affected them only at night begin to stay by them all day.—*Atchison Globe*.

POTTERY NEWS

J. K. Allmon, manager of the decorative department of the Shenango pottery at New Castle, was in the city yesterday looking for a number of gilders employment for which can be furnished in his plant. When seen before he left the city Mr. Allmon said he found all the local gilders to be working steady and many of them did not desire to leave the city, preferring East Liverpool to another town. "This shop," said the gentleman, referring to the New Castle plant, "is starting out in an excellent condition and there are plenty of orders ahead to keep the pottery in operation for many months."

Thomas and Harry Devon, of Tunstall, England, arrived in the city Sunday and are now at the home of their brother, William Devon, of Thompson avenue. Both men are kilnmen, and although they have been in the city but a few days several firms have been after their services. It is expected that Harry Devon will become a member of the glaze crew at McNicol's, while his brother is considering several offers to join a biscuit crew in one of the lower potteries.

Harry Peterson, a presser at the Pool, is ill at his home at Chester with the grip. He will not be able to be out for several weeks.

Mrs. William Devon, of Thompson avenue, wife of Fireman Devon, of McNicol's, who has been ill for a week, is recovering rapidly.

Mabel, the young daughter of Wils. Herron, of Avondale street, a jiggerman at Laughlin No. 2, is quite ill with typhoid fever.

Leonard Auberger, moldmaker for the new pottery now in course of erection at Barberton, left this city for the new shop yesterday. As was exclusively stated in this column last week all the blocks, which were made in this city, have been forwarded to Barberton, and within a few days Mr. Auberger will have three men working in the new shop. It is expected the plant will be in readiness to operate not later than June 1.

Kilndrawers' local met Saturday evening in Brotherhood hall and aside from the transaction of routine business, nine new members were obligated. The recent "missionary" work done in behalf of this local by a joint committee, composed of members from Kilnmen's local No. 9 and from No. 17, has gained results unlooked for by the officials of No. 17. The membership of this local is indeed increasing rapidly.

Most all the larger potteries in the cities will have base ball clubs to represent their several shops during the summer. Already arrangements are being made in a number of shops to organize teams, and within a few weeks some of the shops will be in a position to give the makeup of their clubs.

"Charger" Gamble and Thomas Courley, for several months employed at the Wallace & Chetwynd plant, have resigned their positions at that pottery and have left for New Castle, where they have taken positions in the sanitary plant at that city.

Mr. and Mrs. John Wick, of Kittanning, were in the city Sunday visiting at the home of Thomas Blackmore, foreman of the Buckeye pottery. Mr. Wick is identified with the Wick China company, of Ford City, Pa., and the Kittanning pottery.

Frank O'Neal and Thomas O'Brien, employed at the Shenango pottery, were in the city visiting friends. It is announced the men desire to return to this city, and work in the local potteries, where they were formerly employed.

John Crauley, a cup jiggerman at the Brunt plant, is confined to his home on Avondale street with an attack of pneumonia. He has been ill for several days, but his condition is such that his early recovery is assured.

Frank Hanley, of the East End, formerly a plate jiggerman at the Wallace & Chetwynd plant, has been placed in charge of the big jigger at that plant. He commenced work at his new position yesterday morning.

Miss Sadie Murray, taker-off for Albert Johnson, at McNicol's, is planning for an extended trip to Ireland. It is expected she will sail some time next month, although the date for this has not been decided upon.

Robert Hawkins, who will have charge of the clay department of the new Barberton shop, left for that town Saturday afternoon. He will remove his family there within a short time.

James Mount, a well known jiggerman, went duck hunting Saturday afternoon, and to his surprise, he suc-

ceeded in bagging eight wild ducks. Mount is a gunner of no mean ability.

A shortage of boards at the Diamond yesterday caused the clay hands to take the day. This department at the Diamond has got in but one good pay—the last one—since the holidays.

E. V. Price, president of Kilndrawers' local No. 17, and employed at Laughlin No. 2, has been ill for several days with pleurisy. He has not been able to work since Saturday.

The Brotherhood headquarters will be moved on Thursday to the Exchange building, where the rooms are more commodious and easier of access.

F. F. Diebold, a local crockery salesman, left yesterday morning for a short eastern trip. He is expected to return to the city early next week.

Jigermen's local No. 12 will meet in regular session this evening in Brotherhood hall. Some important business is to be transacted.

Edward Messer, a jiggerman at the Pool, is ill at his home at Chester with the grip. He will not be able to be out for several weeks.

Mrs. William Devon, of Thompson avenue, wife of Fireman Devon, of McNicol's, who has been ill for a week, is recovering rapidly.

Mabel, the young daughter of Wils. Herron, of Avondale street, a jiggerman at Laughlin No. 2, is quite ill with typhoid fever.

On account of a scarcity of boys, Archie Putnam, a jiggerman at the Sevres pottery, was unable to work yesterday.

Joseph Wynn, of Second street, has taken a position as batter-out for James Mount at the East Liverpool pottery.

Harry A. Keffer, of the Sevres pottery company, is spending several days in the east on business.

FRIENDS AND VISITORS

Miss Mary Andrews is confined to her home by illness.

Misses Sara and Annie Leese have left for a visit to Lisbon.

Miss Elsie Allmon, of Hammondsburg, is visiting friends in the city for a few weeks.

Mr. and Mrs. C. C. Thompson have returned from a visit to Florida and other southern points.

Mrs. J. S. Pauley, who has been visiting her son at Pittsburg for several days, has returned to the city.

Nelson Armstrong, who has been visiting his son, G. N. Armstrong, has returned to his home in Laurelvile, O.

Miss Gertrude Herron, of Wall street, who has been visiting friends in Beaver for a few days, has returned to her home.

Mrs. James Murray, of the West End, who has been suffering with a severe attack of rheumatism for several weeks, is recovering.

Miss Laura Geon, after several weeks' stay at Cambridge Springs, Pa., for the benefit of her health, has returned to her home at Chester.

John C. Wallace and Charles Gardner, who are Ohio State university students, are spending their Easter vacation with relatives in this city.

A. H. Clark, of Sixth street, left yesterday afternoon for Cleveland, where he will remain some time arranging for the final settlement of the Livingston bankruptcy case.

Paderevski's Plea for Murderer.

Albany, N. Y., April 8.—Ignace Paderevski appeared before Governor Odell yesterday afternoon and asked that a pardon be granted to Anton Werner, at present serving a life sentence in Sing Sing prison for the murder of J. T. Fisher in 1888. Fisher had made a charge of bigamy against Werner, and upon the latter's meeting him he shot Fisher. The governor took the request under consideration.

GRATIFYING RESULTS.

The election results in this city must be gratifying to the friends of honest elections and good government. First and most important, the Republican ticket was elected to a man. Nothing else was expected, yet there was a bare possibility of defeat for some portion of it owing to the surprising and inexcusable indifference shown by hundreds of Republican voters. Next in importance was the adoption by the voters of the city of the system of registration. Unexpected opposition to this proposition developed at the last moment, but fortunately it was not strong enough to compass the defeat of this wise and necessary law. But in the discussion that arose the friends of the measure had all the best of the argument, those who talked against the plan not being able to marshal a single good strong reason why East Liverpool should not adopt the law which, after years of effort on the part of the Republican leaders, had been enacted for the city's benefit.

Many who voted against the registration proposition did so under the misapprehension that it applied to primary elections. It would doubtless be better if it did, but we may well be content with one thing at a time. The enforcement of the registration law will lessen the temptations to fraud and remove many of the possibilities thereof. We believe our elections are as honestly conducted as elections anywhere, but it must be remembered that East Liverpool has outgrown the village stage. It is a good-sized city and steadily and rapidly growing larger. It is of the highest importance to the city's interests that only bona fide residents and qualified voters have a voice in its elections.

Registration is a present need, and its value and importance will become more and more apparent with each passing year. Once given a thorough trial and test, we have no fear that its popularity will not be so fully established that the people would not listen with patience to any proposition to do away with it. The adoption of this system is a triumph for purity in politics, for the Republican leaders who have championed it, and incidentally an endorsement of the position of the News Review, which has steadily and consistently pointed out the desirability of applying the registration law here.

The vote for bonds to extend the school accommodations, the city is also to be congratulated. An opposite decision would have been most unwise. On the whole, East Liverpool voters did an excellent day's work, although the day was stormy and many stayed at home.

Of course the Democrats expected nothing else than defeat, but really they were not looking for the Prohibits to beat them 2 to 1.

There was no doubt that registration would win after the semi-annual Democratic organ came out in opposition to it.

All things may come to him who waits if he does enough hustling meantime.

ser better after Rhodes' death than before.

OBITUARY

Mrs. Bridget Maley.

Mrs. Bridget Maley, of Wayne township, probably the oldest woman in the southern portion of Columbiana county, being nearly 100 years old, was buried yesterday. She was the widow of James Maley and mother of I. P. Maley, of this city, and was well known to a large number of people throughout the county. When quite a small child she removed with her parents from Ireland. She had lived over 60 years in Wayne township and was widely known and beloved.

AT THE THEATER

Haverly's Mastodon Minstrels will be seen at the Grand next Thursday evening, April 10, and will eclipse anything ever seen in minstrelsy. "Newness and novelty" is the motto of this organization. Clever George Wilson is the chief purveyor and is ably assisted by Johnnie Swor, the famous Young family, Garden and Somers, Mazier and Conley, Marion and Pearl, Eddie McGhee, Jim Mack, Sig Mantel, C. Larry Brown, William Mack, Claude Menkee, and his charming orchestra.

The "Katzenjammer Kids," Blenden & Hennessy, managers, have placed before the public one of the strongest companies ever seen in farce comedy. Every member is selected for his line of work which embraces selections from grand to comic opera, vaudeville and drama. Incidental to the play are unique and novel specialties. WELLSVILLE

LAST REGULAR SESSION

WELLSVILLE COUNCIL MET AND APPROVED BILLS.

Several Special Sessions Yet to Be Held By the Old Body.

Wellsville's old city council held its regular meeting last evening in the city engineer's office. The incoming council will meet first on the first Monday in May. The present council will probably hold several special meetings before its time to retire.

It met last night for the purpose of paying the regular monthly bills which amounted in all to nearly \$2,500.

The law suit of the Holliday heirs against the city, for damage to their property at Third and Lisbon streets at the time the Third street grade was raised, was disposed of, council allowing them \$292, with the understanding that they raise their house and grade their lot. Councilman Whitacre thinks that the property in its present condition is unsightly.

An ordinance to establish a grade on Boyce avenue from the Fraser property to the cemetery road, was read, but was laid over until the next meeting.

Council will meet again tomorrow evening, when the question of paving the cemetery road will be brought up.

THE TILL TAPPED

Fitzpatrick's Restaurant Robbed of \$18 on Monday Morning.

The money drawer at Frank Fitzpatrick's restaurant on Main street, in the West End, was relieved of \$18 on Monday.

The money was taken when no one was in the main room of the restaurant and the loss was not discovered until nearly noon.

Suspicion rests upon a certain party who has been loafing in and about the restaurant.

Veteran Railroader's Funeral.
The funeral service of Walter Maley, aged 75 years, who died at the home of his daughter, Mrs. John Glesner, Center street, at noon Sunday, will be held in the Immaculate Conception church on Wednesday morning at 9 o'clock. Father Halligan officiating. Mr. Maley was born in Ireland and came to America when but 20 years of age. He has been an employee of the C. & P. railroad since coming to Wellsville, some 50 years ago. He is survived by three children: Edward Maley, Mrs. Peter Hannahan and Mrs. John Glesner.

MINOR NEWS OF WELLSVILLE.
John Grill, of Waynesburg, is visiting friends in this city for a few days.

John Glessner, Jr., is threatened with pneumonia at his home on Center street.

William Mercer and wife left today for Pennsylvania, where they will visit relatives for a week.

Mrs. Bella Fultz, of Minerva, is visiting Mrs. W. E. Scheckler, of Main street, who is very ill.

Mrs. Robert Wilson, of Steubenville street, who broke two of her ribs last week, is somewhat worse today.

Lowell Dowd, of Knoxville, O., has accepted a position in the boiler department of the C. & P. shops.

FLURRY IN THE MONEY MARKET

It Caused a Check to the Upward Movement of Stocks—Call Rate Went to 7 Per Cent.

New York, April 8.—The upward movement of stocks, which had attained some headway during the latter part of last week, did not prosper yesterday in face of the rapidly contracting supplies in the money market. The stocks which were made the leaders of last week's movement were the chief sufferers from the selling. The total volume of dealings fell considerably below the million-share mark touched on Friday, but considerably more than one-third of the total was made up of St. Paul, Louisville & Nashville and Union Pacific. The selling cost St. Paul 2%, Louisville & Nashville, 1%, and Union Pacific, 1%.

When the call money rate shot up to 7 per cent yesterday afternoon, the highest point of the season, large amounts of stock were thrown over. The foreign exchange market apparently was not in the least affected by the outgo of \$2,500,000 gold, showing that the consignment is in payment of foreign obligations, as has been the case with preceding shipments for some time. Beside the gold shipment the banks have lost to the sub-treasury since the weekly bank statement some \$338,000. There was a deposit also of \$100,000 in currency at the sub-treasury yesterday for transfer to Cincinnati, while New York exchange at Chicago fell to 20 cents discount. As the bank statement on Saturday showed the surplus reserve down to \$2,649,525, it will be perceived that yesterday's demands were sufficient to wipe out the surplus.

All departments of the list were affected, and the day's losses run quite generally from 1 to 2 points, and over that in exceptional cases.

Firm spots were in the local tractions, some of the Express stocks, Westinghouse Electric, Chicago & Alton, Amalgamated Copper and Wisconsin Central stocks, the Duluth, South Shore and Atlantic stocks and some minor stocks.

The action of the day's grain markets gave some intimation that last week's stock market assumptions of the safety of the winter wheat crop were somewhat premature. But the flurry in the money market was the overshadowing influence, and the market closed active and easy and generally at the lowest.

A few of the newer bond issues were advanced, but the general tendency was slightly easier in sympathy with stocks. Total sales, par value, \$4,540,000. United States bonds were unchanged on the last call.

Gruesome Discovery in Station.
Gilroy, Cal., April 8.—The remains of a man and woman were discovered in the railroad station at this place yesterday, when a box which had lain in the station for 10 years was opened. The box was left with the station agent by a rancher named Jamison, who told the agent he would send for it. The rancher disappeared. It is presumed that a double murder was committed.

State of Washington Files Complaint Against Merger Scheme.

Washington, April 8.—Attorney General Stratton, of the state of Washington, yesterday moved in the United States supreme court for leave to file a bill of complaint on behalf of the state of Washington to prevent the merger of the Northern Pacific and the Great Northern railroads into the Northern Securities Company. The bill asks for a general order of restraint and injunction, and is a general recital of the acts of merger, which it is claimed are in contravention of the law of the state of Washington prohibiting the consolidation of competing lines of railroads. This merger is characterized as "a conspiracy." It is held that an action by the state of Washington will not lie in the state of New Jersey, for the reason that said railway companies are not within the state for the purpose of giving the court jurisdiction over them. An action against the Northern Securities Company will not lie in the state of Washington, for the reason that the courts are powerless to obtain jurisdiction over its person.

Former Attorney General John W. Griggs, in opposing the motion, took the position that the bill of complaint does not present a case of a controversy of a civil nature which under the constitution and laws of the United States is justifiable in the United States supreme court, and that "whatever the law of the state of Washington is upon the subject of the consolidation of railroad corporations, it is a municipal or police law, and not one conferring rights of a proprietary or contractual nature. The suggested injury that is feared is admitted to spring from the fact that one person, or a number of persons who are of one purpose, hold a majority of controlling interest in the stock of two competing lines of railway—a thing not forbidden by the laws of Washington or any other state. It is certainly an astonishing proposition that Washington has a right to complain that a New Jersey corporation has acquired a majority of the capital stock of two railroad companies, one a Wisconsin corporation and the other a Minnesota company, merely because the railroad companies operate roads in Washington."

Want Further Increases.

Reading, Pa., April 8.—The Reading Iron Company having a few days ago increased the wages of puddlers from \$4 to \$4.25 per ton committees yesterday requested a proportionate increase for all other employees, and a further increase for puddlers to \$4.50. The request is made that the increase become effective the first week in May.

Four Workmen Injured.

Atlantic City, N. J., April 8.—Four workmen are in city hospitals as a result of an accident yesterday afternoon at the Hotel Windsor, which was partly destroyed in the big fire of Thursday last. The men were pulling down burned walls on the second floor of the hotel when the floor gave way as the wall fell, precipitating them to the ground in a mass of debris. The injured are: Ray Hicks, probably fatal; Mullen Fayre, James Roselle and Asbury Williams.

An \$8,000 Shortage Alleged.

Cleveland, O., April 8.—Cuyahoga County Prosecuting Attorney Keeler yesterday caused the arrest of Tony Deisner, former assistant police court clerk. Deisner is charged with being responsible for a shortage amounting to about \$8,000. It is alleged that many hundreds of police court vouchers for witness fees were raised during the time that Deisner had charge of the work. Deisner was recently arrested in connection with a shooting affray, and was out on \$20,000 bail upon the charge of manslaughter.

How to Make a Bulldog Let Go.

Says a breeder of bulldogs: "The quickest way to release a person from the jaws of a bulldog, if he be unfortunate enough to be bitten, is by catching the dog's hind paw, in the center of which is an exceedingly tender spot called the heart. This should be pressed or, even better, the paw taken into the mouth and bitten with the teeth. The dog will relinquish the hold at once. It is a desperate remedy, but a sure one, and one that is resorted to by the professional dog fighters."

WELLSVILLE**LAST REGULAR SESSION**

WELLSVILLE COUNCIL MET AND APPROVED BILLS.

Several Special Sessions Yet to Be Held By the Old Body.

Wellsville's old city council held its regular meeting last evening in the city engineer's office. The incoming council will meet first on the first Monday in May. The present council will probably hold several special meetings before its time to retire.

It met last night for the purpose of paying the regular monthly bills which amounted in all to nearly \$2,500.

The law suit of the Holliday heirs against the city, for damage to their property at Third and Lisbon streets at the time the Third street grade was raised, was disposed of, council allowing them \$292, with the understanding that they raise their house and grade their lot. Councilman Whittacre thinks that the property in its present condition is unsightly.

An ordinance to establish a grade on Boyce avenue from the Fraser property to the cemetery road, was read, but was laid over until the next meeting.

Council will meet again tomorrow evening, when the question of paving the cemetery road will be brought up.

THE TILL TAPPED

Fitzpatrick's Restaurant Robbed of \$18 on Monday Morning.

The money drawer at Frank Fitzpatrick's restaurant on Main street, in the West End, was relieved of \$18 on Monday.

The money was taken when no one was in the main room of the restaurant and the loss was not discovered until nearly noon.

Suspicion rests upon a certain party who has been loafing in and about the restaurant.

Veteran Railroader's Funeral.

The funeral service of Walter Maley, aged 75 years, who died at the home of his daughter, Mrs. John Glesner, Center street, at noon Sunday, will be held in the Immaculate Conception church on Wednesday morning at 9 o'clock, Father Halligan officiating. Mr. Maley was born in Ireland and came to America when but 20 years of age. He has been an employee of the C. & P. railroad since coming to Wellsville, some 50 years ago. He is survived by three children: Edward Maley, Mrs. Peter Hannahan and Mrs. John Glesner.

MINOR NEWS OF WELLSVILLE.

John Grill, of Waynesburg, is visiting friends in this city for a few days.

John Glessner, Jr., is threatened with pneumonia at his home on Center street.

William Mercer and wife left today for Pennsylvania, where they will visit relatives for a week.

Mrs. Bella Fultz, of Minerva, is visiting Mrs. W. E. Sheckler, of Main street, who is very ill.

Mrs. Robert Wilson, of Steubenville street, who broke two of her ribs last week, is somewhat worse today.

FLURRY IN THE MONEY MARKET

It Caused a Check to the Upward Movement of Stocks—Call Rate Went to 7 Per Cent.

New York, April 8.—The upward movement of stocks, which had attained some headway during the latter part of last week, did not prosper yesterday in face of the rapidly contracting supplies in the money market. The stocks which were made the leaders of last week's movement were the chief sufferers from the selling. The total volume of dealings fell considerably below the million-share mark touched on Friday, but considerably more than one-third of the total was made up of St. Paul, Louisville & Nashville and Union Pacific. The selling cost St. Paul 2%, Louisville & Nashville, 1%, and Union Pacific, 1%.

When the call money rate shot up to 7 per cent yesterday afternoon, the highest point of the season, large amounts of stock were thrown over.

The foreign exchange market apparently was not in the least affected by the outgo of \$2,500,000 gold, showing that the consignment is in payment of foreign obligations, as has been the case with preceding shipments for some time. Beside the gold shipment the banks have lost to the sub-treasury since the weekly bank statement some \$338,000. There was a deposit also of \$100,000 in currency at the sub-treasury yesterday for transfer to Cincinnati, while New York exchange at Chicago fell to 20 cents discount. As the bank statement on Saturday showed the surplus reserve down to \$2,649,525, it will be known that yesterday's demands were sufficient to wipe out the surplus.

All departments of the list were affected, and the day's losses run quite generally from 1 to 2 points, and over that in exceptional cases.

ELECTIONS IN OHIO.

Democrats Victorious in Some Places, and Republicans Won in Others.

SEVERAL CLEAN SWEEPS MADE.

Owing to Apathy or Overconfidence, or One of the Many Untoward Political Circumstances, Surprises Were in Order.

Cincinnati, April 8.—Reports from the local elections of the municipalities and townships in Ohio yesterday show that cool and unfavorable weather generally prevailed, and that there was a light vote cast. In Cincinnati W. H. Jackson, Democrat, who has served on the superior bench for the past five years, was defeated for re-election by Probate Judge Howard Ferris by more than 16,000, in a total vote of less than 42,000, which is only about half the total vote registered last November.

In Cleveland the Democrats were uniformly successful.

A light vote was polled at Youngstown. Mayor Frank L. Brown, Republican, was re-elected over Bales M. Campbell, Democrat, by a substantial majority. The Republicans will have a working majority in council and board of education. A proposition to issue city bonds in the sum of \$150,000 for the erection of a city hall carried.

In Toledo the Republicans have elected their entire ticket, headed by Fran Van Loo, for street commissioner. They also have 10 majority in the board of councilmen and a two-thirds majority in the board of aldermen. This is a complete political reversal.

The voting of women for members of boards of education was a feature in some cities. At Hamilton the Democrats re-elected the mayor and city officials by 340, with majorities in council and school board. At Sandusky the Democrats elected a majority of the city officers and eight of the 11 councilmen. At Mansfield the Democratic ticket was elected by over 300. At Xenia the wets won, and Republican city officers were elected. At Wooster the Democratic city ticket was elected, with seven of the ten councilmen. At Steubenville a Republican landslide is reported. At Piqua the council is a tie and the city ticket divided. The Democrats carried Middletown, Tiffin, Kenton, Chillicothe, East Palestine, Shelby, Kent, Wapakoneta and Columbus Grove, and the Republicans carried Zanesville, Hillsboro, Wilmington, Warren, Salem, Jackson, Greenfield, Portsmouth and fronton.

In Springfield the Republican ticket was victorious.

The election in Columbus resulted in the re-election of Edward C. Fraas, Republican, for clerk of police court,

and L. D. Andrews, Republican, for justice of the peace. The Republicans also retain control of council, electing 11 out of 19 members.

In Dayton the Democrats again won the mayoralty, C. A. Snyder receiving a majority of 1,385 over John R. Fletcher. Down to council and school board the sweep was clean, but in the council the Republicans gained two making that body a tie. In the school board they gained one, making it 13 Republicans and seven Democrats.

At Findlay Metcalf, Democrat, was elected mayor over George, Republican, by 500 majority. The Republicans elected solicitor and waterworks trustee. Council now stands nine Republicans and seven Democrats, a Democratic gain of one.

No Big Fight in South Carolina.

Columbia, S. C., April 8.—Although the promoters of the proposed Jeffries-Fitzsimmons fight at Charleston have made no inquiry of Gov. McSweeny regarding the handling of the big fight, Mr. McSweeny remarked yesterday unofficially that there was no chance of the fight taking place in South Carolina.

Painless Childbirth.

Zoa Phora the Only Safe, Sure and Ever Ready Remedy in the Three Dangerous Periods of Woman's Life.

It Carries Women Safely Through the Terrible Ordeal of Childbirth and Afterwards Restores the Organs to Strength and Vigor of Health.

TRIAL BOTTLE MAILED FREE.

The stern agony, the awful writhing pain of childbirth is known to every woman who is a mother who did not prepare for the terrible ordeal with Zoa Phora. With the use of Zoa Phora many women testify they find the labor of bearing children very easy, the pain almost nothing, and altogether a different time during confinement and the days preceding it.

MRS. EMMA DODSON, Jerseyville, Ills.

Mrs. Emma Dodson, of Jerseyville, Ills., says: "I have kept Zoa Phora in my house for twenty-one years, using it at monthly periods and preparatory to confinement. Before I used Zoa Phora I was very irregular and suffered terribly whenever I did menstruate, but by using it I often said I had sooner go through childbirth with an attending physician than do without Zoa Phora previous to confinement. I have been the mother of five children. Before the first two came I had not heard of Zoa Phora, and suffered labor with one fifty hours before delivery. The last three births I used Zoa Phora during each pregnancy and was not in labor over four hours for any of them. I have now passed safely and comfortably through the critical time, called change of life. I suffered very little pain, because I used Zoa Phora. It is best medicine for painful menstruation I have ever seen, and have given it to several women, and have never known it to fail."

Zoa Phora has brought the sunshine of health into the home of many a despairing woman. It has made it possible for women to have children who never in the world could have stood the pain and suffering and laceration that must surely have followed the birth of a child in their old condition. The stories of some of the women who now praise this great medicine, Zoa Phora are truly wonderful. They tell of monthly pain and misery suffered for years. They tell of the impossibility of bearing a child for the reason that the organs were not strong enough to carry the child to the end of the time, but would miscarry, greatly endangering the life of the mother. Now they assert they have had children with scarcely a pain and with little inconvenience after the birth was over, few pains and no bad after effect.

Get a dollar bottle of Zoa Phora at the nearest drug store, or the Zoa Phora Co., Kalamazoo, Mich., will send it to you prepaid on receipt of price. It is no experiment as hundreds of grateful women testify daily. The doctor is always glad to answer questions. Do not hesitate to write for information.

We will be glad to send you a large trial bottle free upon receipt of 10c, to cover postage and packing. Address, Zoa Phora Co., Kalamazoo, Mich.

FIRE CHIEF FOUND NOT GUILTY.

First of the Wheeling Bribery Trials

Results in Verdict for the Defendant.

Wheeling, W. Va., April 8.—The first of the councilmanic bribery trials arising out of the indictment of 10 members of the second branch and of the chief of the fire department, Robert D. Cline, the latter accused of proffering President Jesse Shaffer \$2,500 for his vote for the City Rail Company ordinance, took place yesterday in the criminal court of Ohio county. The principal witnesses were Shaffer and Cline, and the latter denied the councilman's allegations in toto. The jury was out but three minutes, and returned with a verdict of "not guilty." Wednesday the indicted councilmen will enter their pleas, and their trials will follow shortly.

Move to Change Inaugural Day.

Washington, April 8.—The agitation in favor of changing the date of inauguration of the president from the 4th of March to the latter part of April received an impetus yesterday at the meeting of the national committee having the proposition under consideration. The change has been advocated mainly owing to the inclemency of the weather of early March, and for other public economic reasons. It was resolved as the sense of the committee that the date of inauguration day should be changed from the 4th of March to the last Thursday in April. It was agreed that the committee had nothing to do with the question of when congress should adjourn.

ELECTIONS IN OHIO. Painless Childbirth.

Democrats Victorious in Some Places, and Republicans Won In Others.

SEVERAL CLEAN SWEEPS MADE.

Owing to Apathy or Overconfidence, or One of the Many Untoward Political Circumstances, Surprises Were in Order.

Cincinnati, April 8.—Reports from the local elections of the municipalities and townships in Ohio yesterday show that cool and unfavorable weather generally prevailed, and that there was a light vote cast. In Cincinnati W. H. Jackson, Democrat, who has served on the superior bench for the past five years, was defeated for re-election by Probate Judge Howard Ferris by more than 16,000, in a total vote of less than 42,000, which is only about half the total vote registered last November.

In Cleveland the Democrats were uniformly successful.

A light vote was polled at Youngstown. Mayor Frank L. Brown, Republican, was re-elected over Bales M. Campbell, Democrat, by a substantial majority. The Republicans will have a working majority in council and board of education. A proposition to issue city bonds in the sum of \$150,000 for the erection of a city hall carried.

In Toledo the Republicans have elected their entire ticket, headed by Fran Van Loo, for street commissioner. They also have 10 majority in the board of councilmen and a two-thirds majority in the board of aldermen. This is a complete political reversal.

The voting of women for members of boards of education was a feature in some cities. At Hamilton the Democrats re-elected the mayor and city officials by 340, with majorities in council and school board. At Sandusky the Democrats elected a majority of the city officers and eight of the 11 councilmen. At Mansfield the Democratic ticket was elected by over 300. At Xenia the wets won, and Republican city officers were elected. At Wooster the Democratic city ticket was elected, with seven of the ten councilmen. At Steubenville a Republican landslide is reported. At Piqua the council is a tie and the city ticket divided. The Democrats carried Middletown, Tiffin, Kenton, Chillicothe, East Palestine, Shelby, Kent, Wapakoneta and Columbus Grove, and the Republicans carried Zanesville, Hillsboro, Wilmington, Warren, Salem, Jackson, Greenfield, Ports mouth and fronton.

In Springfield the Republican ticket was victorious.

The election in Columbus resulted in the re-election of Edward C. Fraas, Republican, for clerk of police court, and L. D. Andrews, Republican, for justice of the peace. The Republicans also retain control of council, electing 11 out of 19 members.

In Dayton the Democrats again won the mayoralty, C. A. Snyder receiving a majority of 1,335 over John R. Flotron. Down to council and school board the sweep was clean, but in the council the Republicans gained two making that body a tie. In the school board they gained one, making it 13 Republicans and seven Democrats.

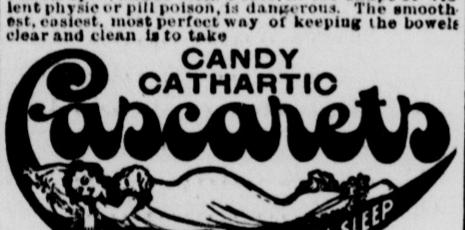

At Findlay Metcalf, Democrat, was elected mayor over George, Republican, by 500 majority. The Republicans elected solicitor and waterworks trustee. Council now stands nine Republicans and seven Democrats, a Democratic gain of one.

No Big Fight in South Carolina.

Columbia, S. C., April 8.—Although the promoters of the proposed Jeffries-Fitzsimmons fight at Charleston have made no inquiry of Gov. McSweeney regarding the handling of the big fight, Mr. McSweeney remarked yesterday unofficially that there was no chance of the fight taking place in South Carolina.

Zoa Phora the Only Safe, Sure and Ever Ready Remedy in the Three Danger Periods of Woman's Life.
It Carries Women Safely Through the Terrible Ordeal of Childbirth and Afterwards Restores the Organs to Strength and Vigor of Health.

TRIAL BOTTLE MAILED FREE.
The stern agony, the awful writhing pain of childbirth is known to every woman who is a mother who did not prepare for the terrible ordeal with Zoa Phora. With the use of Zoa Phora many women testify that they find the labor of bearing children very easy, the pain almost nothing, and altogether a different time during confinement and the days preceding it.

MRS. EMMA DODSON, Jerseyville, Ills.

Mrs. Emma Dodson, of Jerseyville, Ills., says: "I have kept Zoa Phora in my house for twenty-one years, using it at monthly periods and preparatory to confinement. Before I used Zoa Phora I was very irregular and suffered terribly whenever I did menstruate, but by using it became regular, and suffered very little. I have often said I had sooner go through childbirth without an attending physician than do without Zoa Phora previous to confinement. I have been the mother of five children. Before the first two came I had not heard of Zoa Phora, and suffered labor with one fifty hours before delivery."

The last three births I used Zoa Phora

during each pregnancy and was not in labor over four hours for any of them. I have now passed safely and comfortably through the critical time, called change of life. I suffered very little pain, because I used Zoa Phora. It is the best medicine for painful menstruation I have ever seen, and I have given it to several women, and have never known it to fail."

Zoa Phora has brought the sunshine of health into the home of many a despairing woman. It has made it possible for women to have children who never in the world could have stood the pain and suffering and laceration that must surely have followed the birth of a child in their old condition. The stories of some of the women who now praise this great medicine, Zoa Phora are truly wonderful. They tell of monthly pain and misery suffered for years. Now they assert they have had children with scarcely a pain and with little inconvenience after the birth was over, few pains and no bad after effect.

Gas Apparatus Construction Company Stock is Advancing.

OF THE NUMEROUS speculative investments open to the public the new issue of stock by **The Gas Apparatus Construction Company** is one of the most promising, and applications for this stock have been so numerous that the value of the stock has increased rapidly, and only

15 Shares will be Sold at the Price of \$30 Each

after which the price will go higher and higher until the stocks bought today at this low figure may be worth at least \$1,000 each. The reason for this marvelous enhancement is simple enough. It doesn't require argument to prove the value of a process by which a good fuel gas can be manufactured for less than five cents per thousand cubic feet.

This is Not an Experiment, the Process Has Already Been Thoroughly Demonstrated.

The Company's plant at Chester is now ready for operation, and the material to be used in the manufacture of the Gas has been ordered and will be shipped immediately.

Wilkesbarre Judge Says It Is Subversive of all Social Order.

GRANTS PERMANENT INJUNCTION

Action Is Taken Against Trades Council Which Fought a Firm That Refused Demands of Its Men for Increased Wages.

Wilkesbarre, Pa., April 8.—Judge Ferris yesterday rendered an important decision in a boycott case. Last June J. E. Patterson & Co. of this city, refused to grant the demands of their employees for an increase of wages. The building trades council then declared a boycott against the firm. The court was appealed to for an injunction to prevent the trades council from carrying out its threat.

A temporary injunction was granted, and yesterday Judge Ferris made it permanent. In the course of his opinion the judge says: "The boycott is destructive to personal liberty, and utterly subversive of all social order all law and all government, and is therefore unlawful."

STRUCK AGAINST BOY HELPERS.

Washington Plumbers Claim Lads Are Made Journeymen Too Soon.

Washington, April 8.—The plumbers of this city struck yesterday to enforce their demand to stop the employment of boy helpers. There are several hundred of the journeymen plumbers. They claim that the master plumbers put the boy helpers, after six months' employment in the trade, in the place of the journeymen, making many of the latter idle.

New York, April 8.—The employees of the American Can Company in this city to the number of 4,000 went on strike yesterday. The men struck because they objected to making out a detailed statement of their work every day.

OF THE NUMEROUS speculative investments open to the public the new issue of stock by **The Gas Apparatus Construction Company** is one of the most promising, and applications for this stock have been so numerous that the value of the stock has increased rapidly, and only

15 Shares will be Sold at the Price of \$30 Each

after which the price will go higher and higher until the stocks bought today at this low figure may be worth at least \$1,000 each. The reason for this marvelous enhancement is simple enough. It doesn't require argument to prove the value of a process by which a good fuel gas can be manufactured for less than five cents per thousand cubic feet.

This is Not an Experiment, the Process Has Already Been Thoroughly Demonstrated.

The Company's plant at Chester is now ready for operation, and the material to be used in the manufacture of the Gas has been ordered and will be shipped immediately.

Decided Against the Admiral.
Washington, April 8.—The United States supreme court yesterday affirmed the opinions of the court of claims in the case of Admiral Frederick Rodgers. He was appointed a rear admiral in 1899, received the same pay as a brigadier general in the army while on sea duty and 15 per cent less while on duty on shore. Suit was brought to secure full compensation. The decision in both courts was against him.

Royalty Held Up by Policeman.
Berlin, April 8.—Prince and Princess Henry, with the grand duke of Hesse, were bicycle riding at Barnstadt last Friday over a footpath upon which riding is forbidden by the police regulations. They were halted by a policeman, who sharply compelled them to identify themselves. He then permitted them to proceed, saying that he would report the matter at headquarters. It is likely the usual fine of seven marks will be collected from the royal bicyclists.

Parkersburg, W. Va., April 8.—L. D. Boggs quarreled with his sister, Mrs. Ottie Hamrick, over some trivial matter. She reported it to her husband, and he went after Boggs with a shot gun. Finding him on his farm, Hamrick fired at and killed him. Hamrick then fled.

MORE EVIDENCE

It Is Coming in Rapidly in East Liverpool.

Evidence on the following subject will prove of interest to every East Liverpool reader. So many people go through the same experience daily. This public statement should be proof positive to every wavering doubter. Read it carefully:

Mr. George Mount, of 165 Fourth street, teamster and dealer in coal, says: "For three years I had attacks of kidney complaint, some of them laying me up for two or three weeks at a time. The symptoms were pain in the back, particularly severe when stooping or moving around. Physicians called it lumbago and advised by friends to use Doan's Kidney Pills. I procured two boxes at the W. & W. Pharmacy. They cured me."

MINERS' STRIKE STILL ON.

Central Pennsylvania Diggers Repudiate the Terms of the Indianapolis Agreement.

Dubois, Pa., April 8.—The district officers of the United Mine Workers and delegates from the mines of the Rochester and Pittsburgh Coal and Iron Company yesterday rejected the Indianapolis agreement reached last Friday by their national executive board and General Manager Robinson, of the Rochester and Pittsburgh company. The conferences between the district officers, the delegates and Mr. Robinson took place at Punxsutawney.

The miners resolutely insisted that mules must be placed in all mines where possible to haul cars, but Mr. Robinson demanded that men push the cars one way, as agreed upon at Indianapolis. The conference therefore adjourned, and the strike goes on with no immediate prospects of settlement.

Depression everywhere in the region has taken the place of the good cheer that was manifested on the announcement from Indianapolis Saturday morning of a settlement.

Indianapolis, Ind., April 8.—The national executive board of the United Mine Workers of America met here yesterday to outline a policy to be pursued in the event of a general strike in the great anthracite coal fields of Pennsylvania. The session was brief. The real business of the session will be taken up today.

President Mitchell and Secretary Wilson conferred with Joseph F. Trapp, an operator of the Central Pennsylvania district, in regard to a strike in his mine, affecting about 225 men. No decision was reached.

Word was received that the strike of the miners of L. W. Robinson, in Pennsylvania, is still unsettled, and Barney Rice, the member of the board from the Second district, left for the east last night to assist in effecting a conciliation.

Brazil, Ind., April 8.—The various coal miners' unions of this district voted yesterday on the proposition of the operators. The result showed a majority against accepting the operators' offer. This means a strike, as the national executive board of the miners' organization probably will concur in the vote of the district.

NEW OFFICERS TAKE CHARGE.

Councils Organize and Executives Are Inducted into Office.

Harrisburg, April 8.—Mayor Vance C. McCormick was inducted into office at noon yesterday, the oath being administered by his immediate predecessor, Dr. John A. Fritchey. In his inaugural address the new mayor advocates a pair fire department, better streets an equalization of assessments and a more efficient system for cleaning the streets. Select council organized by the election of Richard V. Fox as president, and common council by the election of Rowe Fletcher. Both branches of council are Democratic.

Lancaster, Pa., April 8.—Chester W. Cummings was inaugurated mayor of this city at noon yesterday, succeeding Dr. H. E. Muhlenberg. The notable features of his inaugural address were the recommendation of water works improvements, a filter and more equitable proportion of the improvements for the outlying wards.

Stakes Will Go to the Poor.

Paris, April 8.—The Presse announced that W. K. Vanderbilt, Jr. and Dr. Henri de Rothschild have arranged a match race, with 40-horse power automobiles of the same make to be run before May 15, the stake being a thousand francs, to be given to the poor.

Wilkesbarre Judge Says It Is Subversive of all Social Order.

GRANTS PERMANENT INJUNCTION

Action Is Taken Against Trades Council Which Fought a Firm That Refused Demands of Its Men for Increased Wages.

Wilkesbarre, Pa., April 8.—Judge Ferris yesterday rendered an important decision in a boycott case. Last June J. E. Patterson & Co. of this city, refused to grant the demands of their employees for an increase of wages. The building trades council then declared a boycott against the firm. The court was appealed to for an injunction to prevent the trades council from carrying out its threat.

A temporary injunction was granted, and yesterday Judge Ferris made it permanent. In the course of his opinion the judge says: "The boycott is destructive to personal liberty, and utterly subversive of all social order, all law and all government, and is therefore unlawful."

STRUCK AGAINST BOY HELPERS.

Washington Plumbers Claim Lads Are Made Journeymen Too Soon.

Washington, April 8.—The plumbers of this city struck yesterday to enforce their demand to stop the employment of boy helpers. There are several hundred of the journeymen plumbers. They claim that the master plumbers put the boy helpers, after six months' employment in the trade, in the place of the journeymen, making many of the latter idle.

New York, April 8.—The employees of the American Can Company in this city to the number of 4,000 went on strike yesterday. The men struck because they objected to making out a detailed statement of their work every day.

Travelers to California

Naturally desire to see the grandest and most impressive scenery en route. This you will do by selecting the Denver & Rio Grande and Rio Grande Western, "The Scenic Line of the World," and "The Great Salt Lake Route," in one or both directions, as this line has two separate routes across the Rocky mountains between Denver and Ogden. Tickets reading via this route are available either via its main line through the Royal George, Leadville, over Tennessee Pass, through the Canon of the Grand River and Glenwood Springs, or via the line over Marshall Pass and through the Black Canon of the Gunnison, thus enabling the traveler to use one of the above routes going and the other returning. Three splendidly equipped fast trains are operated to and from the Pacific coast, which carry through standard sleepers daily between Chicago, St. Louis, Denver and San Francisco. Dining cars (service a la carte) on all through trains. If you contemplate such a trip, let us send you beautifully illustrated pamphlets, free.

HOME AFFAIRS.

BRIEF NOTES OF A PERSONAL NATURE AND OF MATTERS ABOUT TOWN.

For Confirmation—Preparations for the next confirmation at St. Stephen's church will be begun next Friday. Quite a few have given their names to the rector and will be confirmed by the bishop of the diocese at the end of May.

Funeral of Mrs. Moore—The funeral of Mrs. John W. Moore was held at the residence on Fifth street at 10 a. m. yesterday, conducted by Dr. J. C. Taggart. Private interment followed later at Calcutta cemetery. From a Staff Correspondent.

Hospital Week Donations—Yesterday was the time appointed for the collection of the money which was subscribed during hospital week. The amount gained will probably not be made public until after the next meeting of the Hospital association.

Girls' Friendly Society—The Girls' Friendly society of St. Stephen's church held a very important meeting last evening in the parish building, beginning in the church with a devotional meeting with an address by the rector. This meeting was followed by social gathering among themselves in the auditorium of the parish building.

NOTICE TO PROPERTY OWNERS. The board appointed for the purpose of equalizing the assessment for the improvement on Trentvale street will be in session at City Hall on the evening of April 9 for the purpose of hearing any objections to the assessment made. All complaints must be made in writing or they will not be considered. By order of THE TRENTVALE EQUALIZATION BOARD.

PROSPEROUS POTTERS

ARE THOSE AT WORD CITY AND KITTANNING.

John Wick Says the Prospects of the Pennsylvania Plants Are Bright.

John Wick, president of the Ford City China company, and also of the Wick China company, Kittanning, is in the city today, having arrived here Saturday for a visit with relatives.

Mr. Wick told a reporter last evening that the Ford City plant was running full in every department, and prospects for the future were unusually bright.

"You can say that we have 600 of the best and most skillful employees in the United States," said Mr. Wick, "and the very best feeling prevails between the workmen and the firm."

"Last Thursday evening we had one of the biggest demonstrations ever held in Ford City. The occasion was the presentation to the men's local of the National Brotherhood of a beautiful banner by the ladies' organization, and the event was one long to be remembered. A banquet had been arranged at the Commercial hotel and over 450 potters and their friends sat down to the table. Several members of our firm were present, and enjoyed the occasion very much."

"Has the Ford City China company sold out to the American Potteries company?" was asked.

"Not to my knowledge," replied the Pennsylvania pottery magnate. "I will sell anything I own for cash, at my figure, and if the American company wants our plant it can buy it for cash. To be frank with you, I do not believe the concern has half a million dollars at hand."

IT REQUIRES TIME

MANAGER HEALY SAYS IT IS TOO EARLY TO TALK ABOUT CROSS COUNTY RAILWAY.

L. W. Healy, of this city, manager of the East Liverpool Railway company, left yesterday for Cleveland, where he will remain several days on business. Before he left the city Mr. Healy was seen by a reporter and when asked if there were any new developments in the scheme to construct a cross county railroad, said:

"That is a matter that I am not prepared to talk about at this time. The deal is one that requires some consideration before the facts can be given to the public, and before I would be able to say anything, some work must be done."

When asked if the road would be built, Mr. Healy asked to be excused.

The gentleman was also asked if any consideration had been given to the recent request of the street railway employes, in which the men asked for a uniform rate of 22 cents an hour.

"That matter will not likely be settled before the first of the month. I see by the papers that the men ask for an answer by the first of the month, and until that time I have nothing to say."

When asked if the requests of the men would be granted, Mr. Healy begged to be excused from being interviewed.

AGAINST THE CITY

TWO SUITS ENTERED AS A RESULT OF PENNSYLVANIA AVENUE IMPROVEMENT.

Lisbon, April 8—(Special)—Two suits have been filed against the city of East Liverpool, in each of which the plaintiff asks that he may recover possession of property now unlawfully held by the city. Each plaintiff also asks damages.

E. W. Hill wants possession of part of lot 2001 in Harvey, Simms and Martin's addition to East Liverpool. Charles E. Swan wants possession of part of lot 2000 in the same addition. Hill wants \$375 damages and Swan \$500. The plaintiffs allege that the city appropriated these lots to construct Pennsylvania avenue, and did not take them legally.

ADJUDGED INSANE.

Lisbon, April 8.—(Special)—Lewis Borton, of Homeworth, has been adjudged insane and will be sent to Massillon hospital. He is a farmer aged 32. His insanity so far has been harmless, but there is fear of him becoming violent.

THE TAX BILLS WILL BE PASSED

IN ALL SCHOOL DISTRICTS

**Elections Must Hereafter Be Held on
the First Monday in April—Gov.
Nash Reorganizing the Forestry
Bureau—Capital Gleanings.**

Columbus, April 8.—This will be a busy week with the legislators. Unless the unexpected happens, the taxation measures, municipal code and redistricting bills will have been disposed of one way or another before the end of the week. Both the Willis and Cole bills, which have met with strong opposition, will be passed by the senate on Thursday. The companion measures of these bills, which will complete the scheme devised by Governor Nash to make possible the abolition of the state tax on real and personal property, will also be passed. It will require 17 votes to pass these measures, and it is absolute certainty that they will have 18 votes and perhaps 20 votes. The Republican senators who have been holding out against the taxation measures are expected to fall in line when they are placed on their passage.

Attorney General Sheets on Saturday rendered an opinion, in response to a request from School Commissioner Bonebrake, that under the Sees act, passed on March 19, 1902, all special school districts, must, in the future, hold their elections on the same day as the regular spring election, on the first Monday in April.

If any special districts fail to hold their elections on that day the directors now in office will hold over for another year. These elections are to be conducted under the Australian ballot law, under regulations similar to those for city and village school elections.

State School Commissioner Bonebrake has compiled a list of the Ohio Teachers' institutes for 1902 from reports sent to him by the chairmen of the executive committees of the different counties. The Columbian county institute will be held at Lisbon August 25 to 29. The instructors will be Margaret W. Sullivan, W. H. Van Fossan, superintendent of public schools of Lisbon, is chairman of the executive committee.

While visiting the soldiers' home at Andrusky, Representative Buell met two former Columbian veterans who are now inmates of the institution—Thomas Sharp, formerly of Salineville,

and Jacob Smith, formerly of Salem. Smith is over 70 and has been at home for 10 years. He is in excellent health and spoke highly of the treatment given the soldiers by the management. He served through the war in Company C, Sixtieth Ohio cavalry. He enlisted at Salem and has a number of relatives residing in that city. Mr. Buell says the inmates were all well dressed neat and clean and seemed to be well taken care of. They are provided with good wholesome food, and plenty of it. The soldiers are given unlimited privileges, but are required to obey the rules. Those who break the laws are given a trial and generally let off with some light penalty—revocation of privileges for a stated period or the imposition of extra duty.

Governor Nash has taken steps to place in active operation the forestry bureau of the state. The board was created a number of years ago to provide for the preservation of the forests of the state, but owing to the failure of the legislature to make the necessary appropriations, the work ceased shortly after it was begun. The board is still in existence, but dormant, and the governor proposes to infuse fresh life into it. Investigation develops that the term of one of the three members, of which the board consists, has expired, but as no reports have been made from any of the members for years, it is probable that an entire new board will be appointed. The purpose of the board is to prevent the extinction of forests.

EAST END

OUT IN THE COLD

ELEVEN-YEAR-OLD GIRL FOUND IN TRYING CONDITION.

Missed Her Car and Sought Warmth at a Kiln at Night—Fireman Befriended Her.

Shivering with cold and afraid to go to the home of relatives in Dixsonville, Edna Robinson, aged 11 years, daughter of William Robinson, of Wellsville, was found this morning at 3:30 o'clock trying to keep warm from a fire in a kiln at the East End sewer pipe works. Had not the girl runned the fireman and informed him that one of the fires was dying out it is likely she would have been compelled to remain out in the cold and snow all night.

When the child was found she was taken to an empty kiln, in which a stove was burning, and the fireman went to the East End fire station where Captain Terrence was notified. He and the fireman went to the works and brought the girl to the fire station, where a bed had been prepared for her, and where she remained until this morning when she went to her home.

The child went to visit a relative in Wellsville last night and missed the last car. She was afraid to go up the hill again and knowing no other person in this part of the city, she decided to go to the sewer pipe works, remaining there several hours unprotected from the cold before she was found.

Option Has Expired.

It was announced in the East End this morning that the option the C. & P. Railroad company had on the J. N. Flanley property in the vicinity of Ralston's crossing expired the first of the month, but some arrangement would be made whereby these options would be extended. It was stated at the time this option was obtained that it was the purpose of the railroad company to double track the road in this part of the city, but since then nothing definite has been heard from the officials of the company concerning the improvement.

EAST END AFFAIRS.

Mrs. Dawson, of lower St. George street, this morning removed into her new residence in the Boyce orchard. It is one of the most complete residences in the Fifth ward.

Only one woman cast a school board ballot in the East End yesterday, and that was Mrs. John Smith, of Boyce street. It was generally supposed that the woman vote in this ward would be heavier than in any other.

Old Man Assaulted.

Wellsville, April 8.—D. W. Craig, an aged resident of Cross Creek district, was brutally assaulted by William and Theodore Strott, two young men living on an adjoining farm, as the result of a quarrel over some stone. The old man had his arm dislocated and the injuries may prove fatal. The young men were arrested and fined.

Forty-Five Indictments.

Steubenville, April 8.—The grand jury which was in session last week established a new record in that not a single case to investigate was ignored, and though in session only two days the supplementary report says 42 witnesses, covering 45 cases, were examined and 45 true bills were returned, a large number being against liquor sellers.

CHINAMAN SUES THE UNION.

Wants Cooks Restrained From Interfering With His Restaurant.

Minneapolis, Minn., April 8.—The courts will be asked to take a hand in the fight between the Cooks' union and the Chinese restaurants. Through his attorney, Wong Guy, proprietor of a restaurant, yesterday applied for an injunction in the United States circuit court against the Cooks' union, requiring the union to show cause why it should not be restrained from interfering with Wong Guy's business.

Wong Guy has written a long letter to Minister Wu Ting Fang, reciting his grievances against the union.

House Passed Chinese Exclusion Bill After Drawing the Lines Tighter.

WAR TAX REPEAL BILL ADOPTED

Measure to Extend Charters of National Banks for 20 Years Suddenly Sprung and Rushed Through Lower Branch of Congress.

Washington, April 8.—The house yesterday passed the Chinese exclusion bill after incorporating in it several amendments which increased the drastic character of the measure. The principal one not only excludes Chinese by birth and descent, but all Chinese of mixed blood. The chief struggle was over an amendment to prohibit the employment of Chinese sailors on American ships. An amendment covering this proposition at first was ruled out on a point of order, but subsequently was modified to evade the ruling, and was adopted 100 to 74.

As passed the bill practically re-enacts all the existing exclusion laws and incorporates with them the existing treasury regulations. It extends these exclusion laws to the Philippines and the other possessions of the United States, and forbids Chinese laborers in our colonial possessions coming into this country. The Philippine commission, by the terms of the bill, is directed to adopt proper measures for the enforcement of the provisions of the bill in the Philippines.

The conference report on the war revenue tax repeal bill was adopted and the bill sent to the white house.

Late in the afternoon Mr. Fowler, of New Jersey, moved to pass under suspension of the rules the senate bill to extend the charters of national banks for 20 years. The Democrats were taken completely by surprise. As it was after the usual hour for adjournment the attendance was slim. The Democrats attempted to filibuster, but a call of the house finally secured a quorum, and the bill was passed.

Considerable time was consumed by the senate in a discussion of the conference report on the bill to reduce war revenue taxes. As passed by the senate the tax on transactions in so-called bucket shops was retained. The conference struck out that provision, it being explained that the house would not consent to its retention. The conference report finally was adopted 36 to 20.

Representative Hay, of Virginia, chairman of the house Democratic caucus, yesterday issued a call for a conference of Democratic members on the subject of Cuban reciprocity at 5 o'clock tonight. The move caused some agitation on both sides of the chamber, in connection with the opening of the debate on the Cuban bill today, as it was thought to introduce a new element of doubt as to the final vote on that measure. It was conceded by the supporters of the Payne bill that a combination between the minority and the Republicans who oppose reciprocity would make the final issue doubtful.

FARM WAS WIPE OUT.

Landslide Demolished Buildings, but Occupants Miraculously Escape.

Ste. Genevieve de Batiscan, Que., April 8.—There was a most peculiar landslide here yesterday. The farm of Joseph Baptiste St. Arnaud was completely wiped out, and the entire aspect of the bank of the River Avellet, where the farm stood, has been changed. The farm house, barns and granaries were buried and everything was demolished with the exception of the sitting room in the house, where the farmer's wife and six children were. The walls of this kept together, and they were with much trouble dug out uninjured.

FROM SOUTH AFRICA

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman, writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Alvin H. Bulger.

REIGNS SUPREME.**Blood Wine—New French Discovery Catches on Quickly.**

Druggists Kept Busy Answering Questions. Our Sick People Hopeful of Lasting Results.

We are pleased to report in this issue that "Blood Wine," the new medicine which we have recently induced the manufacturers to place on sale here, has jumped into instant favor and a large number of our citizens have availed themselves of the opportunity to test it free of charge, and several are now taking it daily and already feeling the effects of its health-giving properties.

The market is today flooded with proprietary articles of all kinds. Some are good, some are bad, some harmless, while others possess little or no medicinal property. The sale of "Blood Wine" has been developed purely on its merits, for the manufacturers have always held aloof from advertising, believing that to thus present it might prejudice the minds of some, as there are people who think that any advertised medicine is a "quack nostrum."

"Blood Wine" is a scientific preparation; in fact, one of the most potent of recent discoveries in materia medica. If you should summons a physician, receive his advice, accept his prescription, have it filled and conduct yourself according to his instruction, you must be at an expense of from say \$1.50 to \$7.00 or even \$10.00, according to the physician and the druggist who compounded your prescription.

Now for fifty cents you can get a bottle of this excellent French remedy which will do as much for you as your physician and druggist combined, providing of course that "Blood Wine" will suit your case. It is not a cure-all; it is not a medicine that will cure disease after death has already tightened its grasp upon the unfortunate victim; it is senseless for anyone to make such a claim of any medicine, and no honest proprietor speaking to the intelligent masses will do it. "Blood Wine" will not disappoint you. It has worked wonders in thousands and hundreds of thousands of cases in the cities. It will cure in a great many instances where other remedies and doctors fail. It will prevent coughs, colds, grippe, pneumonia, consumption, Bright's disease, rheumatism, indigestion, constipation, nervous disorders and infections of the blood, and it will bring about a permanent cure of any of these diseases excepting when consumption or Bright's disease is in the most advanced stage. If your lungs are beginning to be affected, if you have a poor appetite, are sleepless nights, are losing flesh, or notice slight cough, are nervous and fidgety, "Blood Wine" will cure you.

Go to the drug store and inquire about this celebrated preparation; see if it suits your case, sample it, read the literature and make a thorough investigation. If satisfied invest fifty cents for a full bottle and notice its wonderful action. "Blood Wine" contains no wine or opiates. You will not be humbugged, you will not be fooled, you'll get your money's worth many times over.

"Blood Wine" costs fifty cents a bottle, but you can sample it free of charge at Will Reed's and Hodson's drug stores.

GRATIFYING RESULTS.

The election results in this city must be gratifying to the friends of honest elections and good government. First and most important, the Republican ticket was elected to a man. Nothing else was expected, yet there was bare possibility of defeat for some portion of it owing to the surprising and inexcusable indifference shown by hundreds of Republican voters. Next in importance was the adoption by the voters of the city of the system of registration. Unexpected opposition to this proposition developed at the last moment, but fortunately it was not strong enough to compass the defeat of this wise and necessary law. But in the discussion that arose the friends of the measure had all the best of the argument, those who talked against the plan not being able to marshal a single good strong reason why East Liverpool should not adopt the law which, after years of effort on the part of the Republican leaders, had been enacted for the city's benefit.

Many who voted against the registration proposition did so under the misapprehension that it applied to primary elections. It would doubtless be better if it did, but we may well be content with one thing at a time. The enforcement of the registration law will lessen the temptations to fraud and remove many of the possibilities thereof. We believe our elections are as honestly conducted as elections anywhere, but it must be remembered that East Liverpool has outgrown the village stage, is a good-sized city and steadily and rapidly growing larger. It is of the highest importance to the city's interests that only bona fide residents and qualified voters have a voice in its elections.

Registration is a present need, and its value and importance will become more and more apparent with each passing year. Once given a thorough trial and test, we have no fear that its popularity will not be so fully established that the people would not listen with patience to any proposition to do away with it. The adoption of this system is a triumph for purity in politics, for the Republican leaders who have championed it, and incidentally an endorsement of the position of the News Review, which has steadily and consistently pointed out the desirability of applying the registration law here.

The vote for bonds to extend the school accommodations, the city is also to be congratulated. An opposite decision would have been most unwise. On the whole, East Liverpool voters did an excellent day's work, although the day was stormy and many stayed at home.

Of course the Democrats expected nothing else than defeat, but really they were not looking for the Prohibs to beat them 2 to 1.

There was no doubt that registration would win after the semi-annual Democratic organ came out in opposition to it.

All things may come to him who waits if he does enough hustling meantime.

Cecil Rhodes' will pleased the kai-

ser better after Rhodes' death than before.

The Democrats are in the "also ran" class.

OBITUARY

Mrs. Bridget Maley.

Mrs. Bridget Maley, of Wayne township, probably the oldest woman in the southern portion of Columbian county, being nearly 100 years old, was buried yesterday. She was the widow of James Maley and mother of L. P. Maley, of this city, and was well known to a large number of people throughout the county. When quite a small child she removed with her parents from Ireland. She had lived over 60 years in Wayne township and was widely known and beloved.

AT THE THEATER

Haverly's Mastodon Minstrels will be seen at the Grand next Thursday evening, April 10, and will eclipse anything ever seen in minstrelsy. "Newness and novelty" is the motto of this organization. Clever George Wilson is the chief purveyor and is ably assisted by Johnnie Swor, the famous Young family, Garden and Somers, Mazier and Conley, Marion and Pearl, Eddie McGee, Jim Mack, Sig Mantel, C. Larry Brown, William Mack, Claude Menke, and his charming orchestra.

The "Katzenjammer Kids," Blendenell & Hennessy, managers, have placed before the public one of the strongest companies ever seen in farce comedy. Every member is selected for his fine of work which embraces selections from grand to comic opera, vaudeville and drama. Incidental to the play are unique and novel specialties. Hear the Bates Musical trio.

Go to see "Human Hearts" at the Grand Friday evening if you need refreshment that laughter brings. Go, if you wish to be stirred by a dramatic story of unusual force. Go, if you wish to forget for a time your own cares, or to find an outlet for the emotions that you must suppress in real life.

A well pleased audience witnessed the return production of that superb play, "Our New Minister," at the Grand last evening. The attendance was larger than when the attraction appeared here a few weeks ago.

WRIGHT WILL NOT RUN.

Lehigh County Democrat Declines to Be a Candidate for Governor.

Allentown, Pa., April 8.—The Lehigh county Democratic committee yesterday elected Robert E. Wright, M. C. L. Kline, Harvey F. Schule, Frank H. Klechel, John G. Dauefer, Joseph F. Gehring, Edward Harvey and Dr. A. S. Rabenold delegates to the state convention. Mr. Wright had a letter read declining the use of his name for governor. The committee overwhelmingly voted down a resolution received from the Berks county committee requesting the appointment of conferees for a new apportionment of delegates from the two counties on the congressional nomination.

Harrisburg, April 8.—At the meeting of the Democratic county committee yesterday Col. W. S. Thomas was re-elected chairman, with W. H. Etta, of Middletown, and Dr. John A. Fritchey, of Harrisburg, as secretaries. The new members will be elected in June.

Labor Candidate Won.

Hartford, Conn., April 8.—Organized labor won a victory in Hartford yesterday. Following the example of Bridgeport and Ansonia, they have elected a mayor for the city. They captured the Democratic nomination, and their man, Ignatius A. Sullivan, clerk in a clothing store, received the solid vote practically, of the trades unions. The Republicans elected a majority of the common council.

As people grow older the worries that formerly affected them only at night begin to stay by them all day.—Atchison Globe.

POTTERY NEWS

J. K. Allmon, manager of the decorating department of the Shenango pottery at New Castle, was in the city yesterday looking for a number of gilders employment for which can be furnished in his plant. When seen before he left the city Mr. Allmon said he found all the local gilders to be working steady and many of them did not desire to leave the city, preferring East Liverpool to another town. "This shop," said the gentleman, referring to the New Castle plant, "is starting out in an excellent condition and there are plenty of orders ahead to keep the pottery in operation for many months."

Thomas and Harry Devon, of Tunstall, England, arrived in the city Sunday and are now at the home of their brother, William Devon, of Thompson avenue. Both men are kilnmen, and although they have been in the city but a few days several firms have been after their services. It is expected that Harry Devon will become a member of the glaze crew at McNicols, while his brother is considering several offers to join a biscuit crew in one of the lower potteries.

Harry Peterson, a presser at the East Liverpool pottery, who intended to go to New Jersey, where he would make his home, has cast the idea to the four winds. Peterson will remain in this section for several years at least, for he has purchased a home in Smith's Ferry and Saturday he removed his family there. At the shop the boys claim Peterson purchased a horse recently, but he didn't discover it was blind until several days after the purchase was made.

Leonard Auberger, moldmaker for the new pottery now in course of erection at Barberton, left this city for the new shop yesterday. As was exclusively stated in this column last week all the blocks, which were made in this city, have been forwarded to Barberton, and within a few days Mr. Auberger will have three men working in the new shop. It is expected the plant will be in readiness to operate not later than June 1.

Kilndrawers' local met Saturday evening in Brotherhood hall and aside from the transaction of routine business, nine new members were obligated. The recent "missionary" work done in behalf of this local by a joint committee, composed of members from Kilndrawers' local No. 9 and from No. 17, has gained results unlooked for by the officials of No. 17. The membership of this local is indeed increasing rapidly.

Most all the larger potteries in the cities will have base ball clubs to represent their several shops during the summer. Already arrangements are being made in a number of shops to organize teams, and within a few weeks some of the shops will be in a position to give the makeup of their clubs.

"Charger" Gamble and Thomas Courley, for several months employed at the Wallace & Chetwynd plant, have resigned their positions at that pottery and have left for New Castle, where they have taken positions in the sanitary plant at that city.

Mr. and Mrs. John Wick, of Kittanning, were in the city Sunday visiting at the home of Thomas Blackmore, foreman of the Buckeye pottery. Mr. Wick is identified with the Wick China company, of Ford City, Pa., and the Kittanning pottery.

Frank O'Neal and Thomas O'Brien, employed at the Shenango pottery, were in the city visiting friends. It is announced the men desire to return to this city, and work in the local potteries, where they were formerly employed.

John Crauley, a cup jiggeman at the Brunt plant, is confined to his home on Avondale street with an attack of pneumonia. He has been ill for several days, but his condition is such that his early recovery is assured.

Frank Hanley, of the East End, formerly a plate jiggeman at the Wallace & Chetwynd plant, has been placed in charge of the big jigger at that plant. He commenced work at his new position yesterday morning.

Miss Sadie Murray, taker-off for Albert Johnson, at McNicols, is planning for an extended trip to Ireland. It is expected she will sail some time next month, although the date for this has not been decided upon.

Robert Hawkins, who will have charge of the clay department of the new Barberton shop, left for that town Saturday afternoon. He will remove his family there within a short time.

James Mount, a well known jiggeman, went duck hunting Saturday afternoon, and to his surprise, he suc-

ceeded in bagging eight wild ducks. Mount is a gunner of no mean ability.

A shortage of boards at the Diamond yesterday caused the clay hands to take the day. This department at the Diamond has gone in but one good pay—the last one—since the holidays.

E. V. Price, president of Kilndrawers' local No. 17, and employed at Laughlin No. 2, has been ill for several days with pleurisy. He has not been able to work since Saturday.

The Brotherhood headquarters will be moved on Thursday to the Exchange building, where the rooms are more commodious and easier of access.

F. F. Diebold, a local crockery salesman, left yesterday morning for a short eastern trip. He is expected to return to the city early next week.

Jigermen's local No. 12 will meet in regular session this evening in Brotherhood hall. Some important business is to be transacted.

Edward Messer, a jiggeman at the Pool, is ill at his home at Chester with the grip. He will not be able to be out for several weeks.

Mrs. William Devon, of Thompson avenue, wife of Fireman Devon, of McNicols, who has been ill for a week, is recovering rapidly.

Mabel, the young daughter of Wils. Herron, of Avondale street, a jiggeman at Laughlin No. 2, is quite ill with typhoid fever.

On account of a scarcity of boys, Archie Putnam, a jiggeman at the Sevres pottery, was unable to work yesterday.

Joseph Wynn, of Second street, has taken a position as batter-out for James Mount at the East Liverpool pottery.

Harry A. Keffer, of the Sevres pottery company, is spending several days in the east on business.

FRIENDS AND VISITORS

Miss Mary Andrews is confined to her home by illness.

Misses Sara and Annie Leese have left for a visit to Lisbon.

Miss Elsie Allmon, of Hammondsburg, is visiting friends in the city for a few weeks.

Mr. and Mrs. C. C. Thompson have returned from a visit to Florida and other southern points.

Mrs. J. S. Pauley, who has been visiting her son at Pittsburgh for several days, has returned to the city.

Nelson Armstrong, who has been visiting his son, G. N. Armstrong, has returned to his home in Laurelvile, O.

Miss Gertrude Herron, of Wall street, who has been visiting friends in Beaver for a few days, has returned to her home.

Mrs. James Murray, of the West End, who has been suffering with a severe attack of rheumatism for several weeks, is recovering.

Miss Laura Geon, after several weeks' stay at Cambridge Springs, Pa., for the benefit of her health, has returned to her home at Chester.

John C. Wallace and Charles Gardner, who are Ohio State university students, are spending their Easter vacation with relatives in this city.

A. H. Clark, of Sixth street, left yesterday afternoon for Cleveland, where he will remain some time arranging for the final settlement of the Livingston bankruptcy case.

Padlewski's Plea for Murderer.

Albany, N. Y., April 8.—Ignace Padlewski appeared before Governor Odell yesterday afternoon and asked that a pardon be granted to Anton Werner, at present serving a life sentence in Sing Sing prison for the murder of J. T. Fisher in 1888. Fisher had made a charge of bigamy against Werner, and upon the latter's meeting him he shot Fisher. The governor took the request under consideration.

Tried to Stab Prefect.

St. Petersburg, April 8.—While General Trepoff, the prefect of police of Moscow, was out driving Sunday evening, a man, supposed to be a student, sprang on the step of his carriage and tried to stab the prefect, but only succeeded in wounding a policeman who was seated beside him. The would-be assassin was arrested. It is believed that there is a widespread conspiracy against the prefect.

WELLSVILLE

LAST REGULAR SESSION

WELLSVILLE COUNCIL MET AND APPROVED BILLS.

Several Special Sessions Yet to Be Held By the Old Body.

Wellsville's old city council held its regular meeting last evening in the city engineer's office. The incoming council will meet first on the first Monday in May. The present council will probably hold several special meetings before its time to retire.

It met last night for the purpose of paying the regular monthly bills which amounted in all to nearly \$2,500.

The law suit of the Holliday heirs against the city, for damage to their property at Third and Lisbon streets at the time the Third street grade was raised was disposed of, council allowing them \$292, with the understanding that they raise their house and grade their lot. Councilman Whitacre thinks that the property in its present condition is unsightly.

An ordinance to establish a grade on Boyce avenue from the Fraser property to the cemetery road, was read, but was laid over until the next meeting.

Council will meet again tomorrow evening, when the question of paving the cemetery road will be brought up.

THE TILL TAPPED

Fitzpatrick's Restaurant Robbed of \$18 on Monday Morn-

ing.

The money drawer at Frank Fitzpatrick's restaurant on Main street, in the West End, was relieved of \$18 on Monday.

The money was taken when no one was in the main room of the restaurant and the loss was not discovered until nearly noon.

Suspicion rests upon a certain party who has been loafing in and about the restaurant.

Veteran Railroader's Funeral.

The funeral service of Walter Maley, aged 75 years, who died at the home of his daughter, Mrs. John Glesner, Center street, at noon Sunday, will be held in the Immaculate Conception church on Wednesday morning at 9 o'clock, Father Halligan officiating. Mr. Maley was born in Ireland and came to America when but 20 years of age. He has been an employee of the C. & P. railroad since coming to Wellsville, some 50 years ago. He is survived by three children: Edward Maley, Mrs. Peter Hannahan and Mrs. John Glesner.

MINOR NEWS OF WELLSVILLE.

John Grill, of Waynesburg, is visiting friends in this city for a few days.

John Glessner, Jr., is threatened with pneumonia at his home on Center street.

William Mercer and wife left today for Pennsylvania, where they will visit relatives for a week.

Mrs. Bella Fultz, of Minerva, is visiting Mrs. W. E. Sheckler, of Main street, who is very ill.

Mrs. Robert Wilson, of Steubenville street, who broke two of her ribs last week, is somewhat worse today.

Lowell Dowd, of Knoxville, O., has accepted a position in the boiler department of the C. & P. shops.

Mrs. C. L. Williams and Mrs. Jennie Randall, of Gallipolis, are visiting relatives in this city for a few days.

Mrs. William McMurray and children, of Fourteenth street, returned today from a visit with relatives at Hanlon station.

Mrs. Samuel Clark, of Cleveland, who has been visiting friends in this city for the past few days, returned to her home last evening.

FLURRY IN THE MONEY MARKET

It Caused a Check to the Upward Movement of Stocks—Call Rate Went to 7 Per Cent.

New York, April 8.—The upward movement of stocks, which had attained some headway during the latter part of last week, did not prosper yesterday in face of the rapidly contracting supplies in the money market. The stocks which were made the leaders of last week's movement were the chief sufferers from the selling. The total volume of dealings fell considerably below the million-share mark touched on Friday, but considerably more than one-third of the total was made up of St. Paul, Louisville & Nashville and Union Pacific. The selling cost St. Paul 2%, Louisville & Nashville, 1%, and Union Pacific, 1%.

Over 100 new men have been added to the pay roll during the past few days, and the mill is now employing more men than ever before in its history.

ROAD BUILDERS

Soon to Start on the New Highway to Hookstown—A Great Improvement.

A large gang of foreigners arrived this morning from Pittsburg to work on the new Hookstown road. The road is to be cut through by Hancock and Beaver counties, both of whom are to pay their share of the expense. It will greatly benefit Chester and East Liverpool, giving them a much shorter route to Hookstown.

Work will be started as soon as the weather permits, and will be rapidly pushed to completion.

Noted Educators to Speak.

Dr. B. D. Purinton, president of West Virginia university; State Superintendent L. D. CALLS IT CONSPIRACY.

State of Washington Files Complaint Against Merger Scheme.

Washington, April 8.—Attorney General Stratton, of the state of Washington, yesterday moved in the United States supreme court for leave to file a bill of complaint on behalf of the state of Washington to prevent the merger of the Northern Pacific and the Great Northern railroads into the Northern Securities Company. The bill asks for a general order of restraint and injunction, and is a general recital of the acts of merger, which it is claimed are in contravention of the law of the state of Washington prohibiting the consolidation of competing lines of railroads. This merger is characterized as "a conspiracy." It is held that an action by the state of Washington will not lie in the state of New Jersey, for the reason that said railway companies are not within the state for the purpose of giving the court jurisdiction over them. An action against the Northern Securities Company will not lie in the state of Washington, for the reason that the courts are powerless to obtain jurisdiction over its person.

Former Attorney General John W. Griggs, in opposing the motion, took the position that the bill of complaint does not present a case of a controversy of a civil nature which under the constitution and laws of the United States is justifiable in the United States supreme court, and that "whatever the law of the state of Washington is upon the subject of the consolidation of railroad corporations, it is a municipal or police law, and not one conferring rights of a proprietary or contractual nature. The suggested injury that is feared is admitted to spring from the fact that one person, or a number of persons who are of one purpose, hold a majority of controlling interest in the stock of two competing lines of railway—a thing not forbidden by the laws of Washington or any other state. It is certainly an astonishing proposition that Washington has a right to complain that a New Jersey corporation has acquired a majority of the capital stock of two railroad companies, one a Wisconsin corporation and the other a Minnesota company, merely because the railroad companies operate roads in Washington."

Want Further Increases.

Reading, Pa., April 8.—The Reading Iron Company having a few days ago increased the wages of puddlers from \$4 to \$4.25 per ton committees yesterday requested a proportionate increase for all other employees, and a further increase for puddlers to \$4.50. The request is made that the increase become effective the first week in May.

Four Workmen Injured.

Atlantic City, N. J., April 8.—Four workmen are in city hospitals as a result of an accident yesterday afternoon at the Hotel Windsor, which was partly destroyed in the big fire of Thursday last. The men were pulling down burned walls on the second floor of the hotel when the floor gave way as the wall fell, precipitating them to the ground in a mass of debris. The injured are: Ray Hicks, probably fatal; Mullen Fayre, James Rosselle and Asbury Williams.

An \$8,000 Shortage Alleged.

Cleveland, O., April 8.—County Prosecuting Attorney Keeeler yesterday caused the arrest of Tony Deisner, former assistant police court clerk. Deisner is charged with being responsible for a shortage amounting to about \$8,000. It is alleged that many hundreds of police court vouchers for witness fees were raised during the time that Deisner had charge of the work. Deisner was recently arrested in connection with a shooting affray, and was out on \$20,000 bail upon the charge of manslaughter.

How to Make a Bulldog Let Go.

Says a breeder of bulldogs: "The quickest way to release a person from the jaws of a bulldog, if he be unfortunate enough to be bitten, is by catching the dog's hind paw, in the center of which is an exceedingly tender spot called the heart. This should be pressed or, even better, the paw taken into the mouth and bitten with the teeth. The dog will relinquish the hold at once. It is a desperate remedy, but a sure one, and one that is resorted to by the professional dogfighters."

ELECTIONS IN OHIO. Painless Childbirth.

Democrats Victorious in Some Places, and Republicans Won in Others.

SEVERAL CLEAN SWEEPS MADE.

Owing to Apathy or Overconfidence, or One of the Many Untoward Political Circumstances, Surprises Were in Order.

Cincinnati, April 8.—Reports from the local elections of the municipalities and townships in Ohio yesterday show that cool and unfavorable weather generally prevailed, and that there was a light vote cast. In Cincinnati W. H. Jackson, Democrat, who has served on the superior bench for the past five years, was defeated for reelection by Probate Judge Howard Ferris by more than 16,000, in a total vote of less than 42,000, which is only about half the total vote registered last November.

In Cleveland the Democrats were uniformly successful.

A light vote was polled at Youngstown. Mayor Frank L. Brown, Republican, was re-elected over Bales M. Campbell, Democrat, by a substantial majority. The Republicans will have a working majority in council and board of education. A proposition to issue city bonds in the sum of \$150,000 for the erection of a city hall carried.

In Toledo the Republicans have elected their entire ticket, headed by Fran Van Loo, for street commissioner. They also have 10 majority in the board of councilmen and a two-thirds majority in the board of aldermen. This is a complete political reversal.

The voting of women for members of boards of education was a feature in some cities. At Hamilton the Democrats re-elected the mayor and city officials by 340, with majorities in council and school board. At Sandusky the Democrats elected a majority of the city officers and eight of the 11 councilmen. At Mansfield the Democratic ticket was elected by over 300. At Xenia the wets won, and Republican city officers were elected. At Wooster the Democratic city ticket was elected, with seven of the ten councilmen. At Steubenville a Republican landslide is reported. At Piqua the council is a tie and the city ticket divided. The Democrats carried Middlebury, Tiffin, Kenton, Chillicothe, East Palestine, Shelby, Kent, Wapakoneta and Columbus Grove, and the Republicans carried Zanesville, Hillsboro, Wilmington, Warren, Salem, Jackson, Greenfield, Portsmouth and fronton.

In Springfield the Republican ticket was victorious.

The election in Columbus resulted in the re-election of Edward C. Fraas, Republican, for clerk of police court, and L. D. Andrews, Republican, for justice of the peace. The Republicans also retain control of council, electing 11 out of 19 members.

In Dayton the Democrats again won the mayoralty, C. A. Snyder receiving a majority of 1,385 over John R. Flotron. Down to council and school board the sweep was clean, but in the council the Republicans gained two making that body a tie. In the school board they gained one, making it 13 Republicans and seven Democrats.

At Findlay Metcalf, Democrat, was elected mayor over George, Republican, by 500 majority. The Republicans elected solicitor and waterworks trustee. Council now stands nine Republicans and seven Democrats, a Democratic gain of one.

No Big Fight in South Carolina. Columbia, S. C., April 8.—Although the promoters of the proposed Jeffries-Pitzsimmons fight at Charleston have made no inquiry of Gov. McSweeny regarding the handling of the big fight, Mr. McSweeny remarked yesterday unofficially that there was no chance of the fight taking place in South Carolina.

FIRE CHIEF FOUND NOT GUILTY.

First of the Wheeling Bribery Trials Results in Verdict for the Defendant.

Wheeling, W. Va., April 8.—The first of the councilmanic bribery trials arising out of the indictment of 10 members of the second branch and of the chief of the fire department, Robert D. Cline, the latter accused of proffering President Jesse Shaffer \$2,500 for his vote for the City Rail-way Company ordinance, took place yesterday in the criminal court of Ohio county. The principal witnesses were Shaffer and Cline, and the latter denied the councilman's allegations in toto. The jury was out but three minutes, and returned with a verdict of "not guilty." Wednesday the indicted councilmen will enter their pleas, and their trials will follow shortly.

Move to Change Inaugural Day.

Washington, April 8.—The agitation in favor of changing the date of inauguration of the president from the 4th of March to the latter part of April received an impetus yesterday at the meeting of the national committee having the proposition under consideration. The change has been advocated mainly owing to the inclemency of the weather of early March, and for other public economic reasons. It was resolved as the sense of the committee that the date of inauguration day should be changed from the 4th of March to the last Thursday in April. It was agreed that the committee had nothing to do with the question of when congress should adjourn.

Zoa Phora the Only Safe, Sure and Ever Ready Remedy in the Three Dangerous Periods of Woman's Life.

It Carries Women Safely Through the Terrible Ordeal of Childbirth and Afterwards Restores the Organs to Strength and Vigor of Health.

TRIAL BOTTLE MAILED FREE.

The stern agony, the awful writhing pain of childbirth is known to every woman who is a mother who did not prepare for the terrible ordeal with Zoa Phora. With the use of Zoa Phora many women testify they find the labor of bearing children very easy, the pain almost nothing, and altogether a different time during confinement and the days preceding it.

MRS. EMMA DODSON, Jerseyville, Ills.

Mrs. Emma Dodson, of Jerseyville, Ills., says: "I have kept Zoa Phora in my house for twenty-one years, using it at monthly periods preparatory to confinement. Before I used Zoa Phora I was very irregular and suffered terribly whenever I did menstruate, but by using it I became regular and suffered very little. I have often said I had sooner go through childbirth without an attending physician than do without Zoa Phora previous to confinement. I have been the mother of five children. Before the first two came I had not heard of Zoa Phora, and suffered labor with one fifty hours before delivery. The last three births I used Zoa Phora during each pregnancy and was not in labor over four hours for any of them. I have passed safely and comfortably through the critical time, called change of life. I suffered very little pain, because I used Zoa Phora. It is the best medicine for painful menstruation I have ever seen, and I have given it to several women, and have never known it to fail."

Zoa Phora has brought the sunshine of health into the home of many a despairing woman. It has made it possible for women to have children who never in the world could have stood the pain and suffering and laceration that must surely have followed the birth of a child in their old condition. The stories of some of the women who now praise this great medicine, Zoa Phora are truly wonderful. They tell of monthly pain and misery suffered for years. They tell of the impossibility of bearing a child for the reason that the organs were not strong enough to carry the child to the end of the time, but would miscarry, greatly endangering the life of the mother. Now they assert they have had children with scarcely a pain and with little inconvenience after the birth was over, few palms and no bad after effect.

Get a dollar bottle of Zoa Phora at the nearest drug store, or the Zoa Phora Co., Kalamazoo, Mich., will send it to you prepaid on receipt of price.

It is no experiment as hundreds of grateful women testify daily. The doctor is always glad to answer questions. Do not hesitate to write for information.

We will be glad to send you a large trial bottle free upon receipt of 10c, to cover postage and packing. Address, Zoa Phora Co., Kalamazoo, Mich.

OF THE NUMEROUS speculative investments open to the public the new issue of stock by **The Gas Apparatus Construction Company** is one of the most promising, and applications for this stock have been so numerous that the value of the stock has increased rapidly, and only

15 Shares will be Sold at the Price of \$30 Each

after which the price will go higher and higher until the stocks bought today at this low figure may be worth at least \$1,000 each. The reason for this marvelous enhancement is simple enough. It doesn't require argument to prove the value of a process by which a good fuel gas can be manufactured for less than five cents per thousand cubic feet.

This is Not an Experiment, the Process Has Already Been Thoroughly Demonstrated.

The Company's plant at Chester is now ready for operation, and the material to be used in the manufacture of the Gas has been ordered and will be shipped immediately.

Decided Against the Admiral.
Washington, April 8.—The United States supreme court yesterday affirmed the opinions of the court of claims in the case of Admiral Frederick Rodgers. He was appointed a rear admiral in 1899, received the same pay as a brigadier general in the army while on sea duty and 15 per cent less while on duty on shore. Suit was brought to secure full compensation. The decision in both courts was against him.

Royalty Held Up by Policeman.
Berlin, April 8.—Prince and Princess Henry, with the grand duke of Hesse, were bicycle riding at Darmstadt last Friday over a footpath upon which riding is forbidden by the police regulations. They were halted by a policeman, who sharply compelled them to identify themselves. He then permitted them to proceed, saying that he would report the matter at headquarters. It is likely the usual fine of seven marks will be collected from the royal bicyclists.

Killed His Brother-in-Law.
Parkersburg, W. Va., April 8.—L. D. Boggs quarreled with his sister, Mrs. Ottie Hamrick, over some trivial matter. She reported it to her husband, and he went after Boggs with a shot gun. Finding him on his farm, Hamrick fired at and killed him. Hamrick then fled.

MORE EVIDENCE

It is Coming in Rapidly in East Liverpool.

Evidence on the following subject will prove of interest to every East Liverpool reader. So many people go through the same experience daily. This public statement should be proof positive to every wavering doubter. Read it carefully:

Mr. George Mount, of 165 Fourth street, teamster and dealer in coal, says: "For three years I had attacks of kidney complaint, some of them laying me up for two or three weeks at a time. The symptoms were pain in the back, particularly severe when stooping or moving around. Physicians called it lumbago and advised by friends to use Doan's Kidney Pills I procured two boxes at the W. & W. Pharmacy. They cured me."

BLOWAT BOYCOTTING

Wilkesbarre Judge Says It Is Subversive of all Social Order.

GRANTS PERMANENT INJUNCTION

Action Is Taken Against Trades Council Which Fought a Firm That Refused Demands of Its Men for Increased Wages.

Wilkesbarre, Pa., April 8.—Judge Ferris yesterday rendered an important decision in a boycott case. Last June J. E. Patterson & Co. of this city, refused to grant the demands of their employees for an increase of wages. The building trades council then declared a boycott against the firm. The court was appealed to for an injunction to prevent the trades council from carrying out its threat.

A temporary injunction was granted, and yesterday Judge Ferris made it permanent. In the course of his opinion the judge says: "The boycott is destructive to personal liberty, and utterly subversive of all social order, all law and all government, and is therefore unlawful."

STRUCK AGAINST BOY HELPERS.

Washington Plumbers Claim Lads Are Made Journeymen Too Soon.

Washington, April 8.—The plumbers of this city struck yesterday to enforce their demand to stop the employment of boy helpers. There are several hundred of the journeymen plumbers. They claim that the master plumbers put the boy helpers, after six months' employment in the trade, in the place of the journeymen, making many of the latter idle.

New York, April 8.—The employees of the American Can Company in this city to the number of 4,000 went on strike yesterday. The men struck because they objected to making out a detailed statement of their work every day.

Travelers to California

Naturally desire to see the grandest and most impressive scenery en route. This you will do by selecting the Denver & Rio Grande and Rio Grande Western, "The Scenic Line of the World," and "The Great Salt Lake Route," in one or both directions, as this line has two separate routes across the Rocky mountains between Denver and Ogden. Tickets reading via this route are available either via its main line through the Royal George, Leadville, over Tennessee Pass, through the Canon of the Grand river and Glenwood Springs, or via the line over Marshall Pass and through the Black Canon of the Gunnison, thus enabling the traveler to use one of the above routes going and the other returning. Three splendidly equipped fast trains are operated to and from the Pacific coast, which carry through standard sleepers daily between Chicago, St. Louis, Denver and San Francisco. Dining cars (service a la carte) on all through trains. If you contemplate such a trip, let us send you beautifully illustrated pamphlets, free.
